Women, Monstrosity and Horror Film Erin Harrington 2017-08-10 Women occupy a privileged place in horror film. Horror is a space of entertainment and excitement, of terror and dread, and one that relishes the complexities that arise when boundaries – of taste, of bodies, of reason – are blurred and dismantled. It is also a site of expression and exploration that leverages the narrative and aesthetic horrors of the reproductive, the maternal and the sexual to expose the underpinnings of the social, political and philosophical othering of women. This book offers an in-depth analysis of women in horror films through an exploration of 'gynae horror': films concerned with all aspects of female reproductive horror, from reproductive and sexual organs, to virginity, pregnancy, birth, motherhood and finally to menopause. Some of the themes explored include: the intersection of horror, monstrosity and sexual difference; the relationships between normative female (hetero)sexuality and the twin figures of the chaste virgin and the voracious vagina dentata; embodiment and subjectivity in horror films about pregnancy and abortion; reproductive technologies, monstrosity and 'mad science'; the discursive construction and interrogation of monstrous motherhood; and the relationships between menopause, menstruation, hagsploitation and 'abject barren' bodies in horror. The book not only offers a feminist interrogation of gynae horror, but also a counter-reading of the gynae horrific, that both accounts for and opens up new spaces of productive, radical and subversive monstrosity within a mode of representation and expression that has often been accused of being misogynistic. It therefore makes a unique contribution to the study of women in horror film specifically, while also providing new insights in the broader area of popular culture, gender and film philosophy.

Christmas: Its Origin and Associations (Illustrated Edition) William Francis Dawson 2018-11-28 "In looking at the celebrations of Christmas, at different periods and in different places, I have observed that, whatever views men hold respecting Christ, they all agree that His Advent is to be hailed with joy, and the nearer the forms of festivity have approximated to the teaching of Him who is celebrated the more real has been the joy of those who have taken part in the celebrations. My aim is neither critical nor apologetic, but historical and pictorial: it is not to say what might or ought to have been, but to set forth from extant records what has actually taken place: to give an account of the origin and hallowed associations of Christmas, and to depict, by pen and pencil, the important historical events and interesting festivities of Christmastide. With materials collected from different parts of the world, and from writings both ancient and modern, I have endeavored to give in the present work a chronological account of the celebrations and observances of Christmas."

Shopaholic on Honeymoon (Short Story) Sophie Kinsella 2014-12-16 This free eBook short story fills in the gaps of Sophie Kinsella's bestselling Shopaholic series, following Becky Brandon and her husband, Luke, as they start their luxurious yearlong honeymoon around the world. But these jet-setters are about to hit some turbulence. Becky and Luke are in Venice—the city of winding canals, gorgeous historic buildings, and, of course, exceptional shopping. To unwind from the stress of their wedding, Becky has planned an utterly blissful honeymoon where, for an entire year, they will hop from one country to the next—Italy to the Czech Republic to Sri Lanka and beyond—as they please. But lately, Luke has been more restless than relaxed. In fact, he seems (unbelievably!) like he wants to go home. Will Becky be able to save their dream vacation, or will their globe-trotting come to a sudden halt? You won't have to shop around to find a more winning protagonist.”—People

The Cambridge History of Medieval Monasticism in the Latin West Alison I. Beach 2020-01-09 Monasticism, in all of its variations, was a feature of almost every landscape in the medieval West. So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds. While there is enormous interest in medieval monasticism among Anglophone scholars, language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe. The Cambridge History of Medieval Monasticism in the Latin West offers a comprehensive treatment of medieval monasticism, from Late Antiquity to the end of the Middle Ages. The essays, specially commissioned for this volume and written by an international team of scholars, with contributors from Australia, Belgium, Canada, England, France, Germany, Italy, the Netherlands, Spain, Switzerland, and the United States, cover a range of topics and themes and represent the most up-to-date discoveries on this topic.

Confessions of a Shopaholic Sophie Kinsella 2003-03-04 From the #1 New York Times bestselling author of The Party Crasher and Love Your Life comes “a hilarious tale . . . hijinks worthy of classic I Love Lucy episodes . . . too good to pass up.” (USA Today) “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover Becky Bloomwood has a fabulous flat in London's trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season's must-haves. The only trouble is, she can't actually afford it—not any of it. Her job writing at Successful Saving magazine not only bores her to tears, it doesn't pay much at all. And lately Becky's been chased by dismal letters from the bank—letters with large red sums she can't bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever.
