**Do What Feels Good** Hannah Bronfman 2019-01-08 "Hannah Bronfman is challenging us all to rethink our default standards of beauty and definitions of 'healthy' —and I, for one, couldn't be happier to hear this from another woman of color in the wellness community. Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin." --Gabrielle Union, actress and bestselling author of *We're Going to Need More Wine* As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. As a woman of color who grew up watching a close family member struggle with an eating disorder, Hannah's had to forge her own path and create her own standards of beauty. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In *Do What Feels Good*, Hannah offers real talk about getting in touch with your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. And since delicious food is one of the things that makes everyone feel good, Hannah shares more than 50 of her favorite recipes for healthy hedonism (desserts and cocktails included!). Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real. Because self-care should not feel self-punishing, and every body deserves to feel good.

**The Real Food Grocery Guide** Maria Marlowe 2017-05-01 Understand food labels and cut through the myths, hype, and misleading information on "healthy" food choices. Make the best choices with *The Real Food Grocery Guide*. The Real Food Grocery Guide helps you navigate every aisle of the grocery store by clearly outlining what foods are truly the healthiest, the freshest, and the most economical—and which ones belong in the garbage rather than your grocery cart! Now you will finally know for certain whether fat-free and gluten-free are actually healthier, what hidden meanings you're missing in food labels, and if organic vegetables and grass-fed meat are worth the extra cost. The Real Food Grocery Guide is the most comprehensive and actionable guide to grocery shopping and healthy eating available, with advice on: What to eat for health, balanced weight, and longevity How to shop to save a significant amount of time and money How to decipher food "buzz words" (like natural, grass-fed, wild, organic, gluten-free, etc.): know which to buy and which to leave on the shelf How to select the most nutritious and delicious produce, every time (no more getting home with brown avocados or tasteless melon) Why the quality of animal products such as meat, fish, eggs, and dairy is crucial—and how to choose the healthiest kinds How to store fresh food properly so it will stay fresh longer Why calorie counting is futile—and what you should look for instead to determine the healthiness of any food How to decipher what a food label is really saying How to avoid being duped by sneaky food industry claims and choose the best packaged products every time Stop guessing when you're in the grocery store. Grab *The Real Food Grocery Guide* and get the real facts on what labels are telling you. No spin.

**Thinner Leaner Stronger** Michael Matthews 2019-04-22 *The International Bestselling Fitness Book for Women* Is this a workout book that can give you a lean and toned "Hollywood babe body" in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise "hacks" and "shortcuts" for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book (and nutrition book) that'll show you exactly how to eat and exercise to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. Because here's the deal: Muscle building and fat loss aren't nearly as complicated as you've been led to believe. You don't need to: Obsess over "clean eating" and avoiding "bad" or "unhealthy" foods like sugar, meat, and bread. Some foods are just more nutritious than and should be eaten more frequently than others. That's it. You don't need to: Constantly change up your fitness routine. A little of the right variability in your exercise is productive, but more than that is obstructive. You don't need to: Spend a couple of hours in the gym every day grinding through punishing strength training workouts. Sweating buckets, getting really sore, training until bone-tired . . . all wholly overrated for gaining lean muscle and strength. You don't need to: Slog away on the treadmill. In fact, you don't need to do any cardio exercise at all to shed ugly belly, hip, and thigh fat and even build your best body ever. You don't need to: Waste coin on sketchy fitness supplements like fat burners, amino acids, and greens powders. Most of these products either haven't been scientifically proven to do what you're paying for or have been proven outright ineffective. Those are just a few of the harmful lies and myths that keep gals from ever achieving the lean, toned, and strong body they truly desire. And *Thinner Leaner Stronger* will teach you something that most women will never know: How to transform your body while eating all of the foods you like and doing just a few challenging (but not grueling) resistance training workouts per week. Oh and cardio? Completely optional. Here are just a few of the things you'll discover inside this fitness book for women: The 10 biggest fitness myths and mistakes that keep women weak, overweight, and confused. For example, "calories are all that matters," "carbs and sugars make you fat and unhealthy," and "strength training makes women bulky." The primary driver of muscle growth that literally forces your muscles to get fitter and stronger. And no, it has nothing to do with "muscle confusion," "functional training," or any other pseudoscientific fitness nonsense. How to create meal plans for losing fat and building muscle with all of the foods you love so you never feel starved, deprived, or like you're "on a diet" (and especially a "bodybuilding diet"). 12 months of done-for-you, paint-by-numbers strength training workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. A no-BS guide to fitness supplements that'll save you hundreds if not thousands of dollars on useless (and sometimes even dangerous) pills, powders, and potions for fat loss, muscle gain, and the rest of it. And that's not all, either . . . 367 peer-reviewed scientific studies support the *Thinner Leaner Stronger* system of eating, exercising, and recovering for losing fat and gaining lean muscle and strength. *Thinner Leaner Stronger* has sold over 400,000 copies in 13 different languages and is regularly revised based on the latest findings in nutrition and exercise scientific research (four editions released and counting!). It's also backed by a "No Return Necessary" money-back guarantee that works like this: if you're unsatisfied with this workout book for women or the program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful "beach-ready" body without following a bland, boring, bodybuilding diet and without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.

**The HELP Vegetarian Nutrition Guide** Kayla Itsines 2014-12-20 *The HELP Vegetarian Guide* contains Kayla Itsines' 107 page clean eating plan including a full 14 day meal plan with recipes. Suitable for Vegetarians, Vegans and Pescatarians. Learn what to eat, discover fat burning foods, eat tasty meals and speed up your metabolism.

**The Fat-Loss Plan** Joe Wicks 2017-12-26 Are you fed up with restrictive dieting? Do you feel you've tried everything before and failed? Then this plan is for you. This is different. This will work. Joe Wicks is back with another instalment of 100 brand-new delicious recipes and five speedy, effective HIIT workouts. The Fat-Loss Plan can motivate everyone on their way to achieving a fit, lean and healthy body. Inside the book is a combination of reduced-carb, post-workout and snacks and sweet treat recipes - all incredibly tasty and easy to make in 15 minutes flat. Every recipe is filling and fuels you with energy for your day and your workout - including Steak Taco with Lime Salsa, Lamb Kofte Tagine and Veggie Super Bowl. Thanks to sample weekly plans, Joe makes it simple for you to prep like a boss and eat well every day of the week. Joe has more than 4 million followers on social media where fans share their personal journeys towards a leaner, fitter lifestyle. The Lean in 15 titles won platinum and gold awards at the Specsavers Nielsen book awards. Joe's first book *Lean in 15: The Shift Plan* has become the bestselling diet book of all time and all his books have been non-fiction number one bestsellers. Start your journey to better health and fitness now with *The Body Coach*.

**BodyBoss Ultimate Body Fitness Guide** Supernova Pte Ltd 2017-12-04

**Eat.Lift.Thrive.** Sohee Lee 2017-06-15 Eat healthy. Exercise. Be happy. It sounds easy enough, so why is it so difficult? Because as millions of women know, it's not easy. There are challenges and obstacles, and health programs are not one size fits all. Sohee Lee understands, because she's faced the challenges and overcome them. As a trainer, presenter, and author, she's shared her experiences and helped others establish healthy relationships with food and exercise for long-term results. In the book *Eat. Lift. Thrive.* she empowers you with tools and strategies to make your own change. You will learn how to identify issues that are holding you back and what you can do to get back on track. You'll find motivation, exercise, and advice. And you'll learn how to • incorporate Lee's Living Lean Guidelines to make your diet work around your life, rather than the other way around; • perform her Primary Strength Movements and integrate them into an effective workout program; and • adjust your routine to maintain the results you've achieved. *Eat. Lift. Thrive.* also provides you with a structured, easy-to-follow 12-week training program. The program

can be scaled according to your training experience, time commitment, and goals; it's completely customizable to ensure that your changes are lasting. This book is designed to be different. By the time you're finished, you'll be an expert at moderation and will say goodbye to extremes in dieting. You can have your cake and eat it too—and enjoy it! CE exam available! For certified professionals, a companion continuing education exam is available which can be completed after reading this book. The Eat. Lift. Thrive. Online CE Exam may be purchased separately or as part of the Eat. Lift. Thrive. With CE Exam package that includes both the book and the exam.

**28 by Sam Wood Sam Wood 2017-04-18 CHANGE YOUR THINKING, CHANGE YOUR SHAPE, CHANGE YOUR LIFE 28** By Sam Wood combines quick, simple, delicious meals with a daily 28 minute exercise program. In just a year of the program, personal trainer and The Bachelor favourite Sam Wood and his team have transformed more than 100,000 people's lives. Now, for the first time, the best of 28 by Sam Wood has been brought together in a book. Including 100 of Sam and nutritionist Steph Lowe's popular recipes for breakfast, lunch, dinner and snacks. All based on their philosophy that we should turn the healthy food pyramid upside down - and prioritise real food with as little human interference as possible. Alongside satisfying, achievable recipes for every time of the day, 28 By Sam Wood includes a monthly meal planner, a regime of tough but achievable exercises for every level, and advice on taking control of your weight, your health and your life today.

**The Year One Challenge for Women Michael Matthews 2015-01-15 The Official Workout Journal for the Thinner Leaner Stronger Program** Is this a workout book that can give you a lean and toned "Hollywood babe body" in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise "hacks" and "shortcuts" for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book that'll show you exactly how to eat and train to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. The Year One Challenge for Women is a workout journal companion to the bestselling fitness book for women, Thinner Leaner Stronger. This workout book contains a full year's worth of Thinner Leaner Stronger workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. This workout journal also provides you with a comprehensive Thinner Leaner Stronger "cheatsheet" that lists and demonstrates all exercises in the program, and explains how to choose the right routine for you, how to progress in your workouts, how to make exercise substitutions, and more. It's backed by a "No Return Necessary" money-back guarantee, too, that works like this: if you're unsatisfied with this workout journal or program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful "beach-ready" body without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.

**Bikini Body Training Guide 2.0 Kayla Itsines 2015-02-20** So you finished my 12 week guide! Give yourself a massive congratulations and pat on the back. It's a huge accomplishment, and no doubt you are feeling a big change in your overall health, mindset, and confidence. As you know by now, my program is not a "diet", but a lifestyle. With my 2.0 guide, I've created another 12 weeks to help you continue your healthy lifestyle. Inside you will find 12 weeks of higher challenge workouts, a full glossary section detailing new exercises, as well as a guide to foam rolling, and new resistance exercises. The 2.0 guide helps you take your healthy lifestyle to the next level, and is the best way to continue reaching your fitness goals!

**Fast Carbs, Slow Carbs David A. Kessler, M.D. 2020-03-31** The American body is in trouble. Unprecedented numbers of us suffer from obesity, heart disease, diabetes, and other debilitating illnesses. The root cause is a once-revolutionary idea that seemed to offer so much promise, but instead has become the cause of a global health crisis: processed foods. Over the past seventy-five years, a number of factors aligned to create a reality in which processed carbohydrates became our main food source. In *Fast Carbs, Slow Carbs*, bestselling author and former FDA Commissioner David A. Kessler explains how the quest to feed a nation resulted in a population that is increasingly suffering from obesity and chronic disease and offers a solution for changing course. For decades, no one questioned the effects of these processed carbohydrates. The focus was on fertile grassland, ideal for growing vast amounts of wheat and corn; an industrial infrastructure perfect for refining those grains into starch; a food production behemoth that turns refined grains into affordable, appealing, and ever-present food items, from pizza to burritos to bagels; and an efficient distribution network that ensures consumption by Americans nationwide. But during those same decades, our bodies quietly contended with the metabolic chaos caused by consuming rapidly absorbable starch. Slowly but surely, these effects accumulated and became disastrous, leading to the public health crisis in which we find ourselves today. In *Fast Carbs, Slow Carbs*, Kessler explains how eating refined grains such as wheat, corn, and rice leads to a cascade of hormonal and metabolic issues that make it very easy to gain weight and nearly impossible to lose it. Worse still is how excess weight creates a very real link to diabetes, heart disease, cognitive decline, and a host of cancers. We can no longer afford to dismiss the consequences of eating food that is designed to be rapidly absorbed as sugar in our bodies. Informed by cutting-edge research as well as Dr. Kessler's own personal quest to manage his weight, *Fast Carbs, Slow Carbs* reveals in illuminating detail how we got to this critical turning point in our health as a nation—and outlines a plan for eliminating heart disease, allowing us to, finally, regain control of our health.

**Robyn Lawley Eats Robyn Lawley 2014-11-03** Robyn Lawley is a self-confessed foodie - in addition to being an international supermodel for the likes of H & M and Ralph Lauren. When she's not gracing the cover of Vogue or modelling swimwear or walking the runway, she is scouring menus around the globe and cooking up a storm for her best friends in her adopted home: New York City. Robyn Lawley Eats takes its name from her popular food blog and brings together a collection of modern classics and sumptuous photography from Robyn's travels, as well as home-grown Aussie dishes from her upbringing in Sydney. This book has been a true labour of love for our stunning and talented Robyn Lawley. Every single recipe in her new book was personally cooked, photographed, plated and eaten in Robyn's own kitchen in New York City! A rich, cosmopolitan array of recipes for any occasion, Robyn Lawley Eats has something for all levels of cooking experience and is an inspiration to girls who just love to eat.

Get in the best shape of your life, both physically and mentally, and feel stronger, healthier and more flexible - in just 28 days. Features photos of every exercise, complete with food plan and nutritious, energising recipes.

**Attracting Science and Mathematics Ph.D.s to Secondary School Education Center for Education 2000-09-16** The National Research Council conducted a study to identify a set of incentives that state governments and local school districts can use to attract Ph.D. scientists and mathematicians to secondary school teaching positions. This project investigated the career ambitions of Ph.D.s in the physical and life sciences through focus groups and a national survey to determine the kinds of work conditions and compensation packages that would induce them to take positions teaching physics, chemistry, biology, and various electives in public high schools or positions developing secondary school science and mathematics curricula. The study conducted interviews with Ph.D.s who are already teaching in secondary schools to ascertain information from their experiences, with local school district administrators to assess what they are realistically willing to offer Ph.D. scientists to attract them, and with higher education administrators to explore programmatic changes they would need to institute to provide Ph.D.s with skills tailored to secondary school teaching. These investigations led to this report which describes the incentives local school districts could use in establishing pilot

programs in this area.

**15 Minutes to Fit** Zuzka Light 2015 YouTube workout video star Zuzka Light presents her long-awaited debut fitness book, with a 30-day fitness regime of powerful, effective 15-minute workouts. Filming first from a tiny basement in Prague, and eventually settling in Los Angeles, Zuzka Light has single-handedly ushered in the YouTube fitness revolution. Viewers love Light for her short, ferociously effective workouts and her in-the-trenches, never-give-up positive attitude—and she's racked up more than half a billion views to prove it. Now, finally, comes 15 Minutes to Fit, Light's hotly anticipated debut, with a 30-day fitness plan guaranteed to burn fat and build ripped muscles. Based on innovative high-intensity interval training, the workouts in 15 Minutes to Fit are designed to be done anywhere, anytime (no fancy gym equipment necessary), in just 15 minutes a day. This book takes the guesswork out of the workout, providing: - A 30-day workout plan to whip your body into shape—in 15 minutes a day or less - A companion meal plan, with delicious and healthful recipes for each day - Step-by-step photographs throughout to illustrate proper form for the workouts - Quick facts on health and nutrition to help readers separate fact from fiction - Support and motivation from Light, who overcame many obstacles to become the female face of fitness As Light says, "Give me 15 minutes a day and I'll give you a badass body." Coauthored by New York Times bestselling author Jeff O'Connell, 15 Minutes to Fit is the book legions of fans have been waiting for.

**The 12-Minute Athlete** Krista Stryker 2020-03-31 Unlock your athletic potential and get into the best shape of your life with Krista Stryker's HIIT and bodyweight workouts—all of which can be done in just minutes a day! If you've ever thought you couldn't get results without spending hours in the gym, that you'd never be able to do a pull-up, or that it's too late to get in your best shape ever, The 12-Minute Athlete will change your mind, your body, and your life. Get serious results with high-intensity interval training (HIIT) workouts that can be done in just minutes a day. Give up the excuses and learn to use your own bodyweight and a few basic pieces of portable equipment for short, incredibly effective workouts. Reset your mindset, bust through mental blocks, and set meaningful goals you'll actually accomplish. You can finally ditch the dieting and enjoy food as fuel with simple eating guidelines to the 80/20 rule. In The 12-Minute Athlete you'll also find: -A guide to basic calisthenics and bodyweight exercises for any fitness level -Progressive exercises to achieve seemingly "impossible" feats like pistol squats, one-arm push-ups, pull-ups, and handstands -More than a dozen simple and healthy recipes that will fuel your workouts -Two 8-week workout plans for getting fitter, faster, and stronger -Bonus Tabata workouts -And so much more! The 12-Minute Athlete is for men and women, ex-athletes and new athletes, experienced athletes and "non-athletes"—for anyone who has a body and wants to get stronger and start living their healthiest life.

**Brain-Powered Weight Loss** Eliza Kingsford 2017-01-03 Losing weight and successfully maintaining it over the long term is not as much about what

you put in your stomach; it's more about what's happening in the brain. In **Brain-Powered Weight Loss**, psychotherapist and weight management expert Eliza Kingsford shows that more than 90 percent of people who go on diet programs (even healthy ones) fail or eventually regain because they have a dysfunctional relationship with food. Changing this relationship by changing the way you think about and behave around food is what it takes to permanently achieve weight-loss success. Kingsford's 11-step first-of-its-kind program enlists dozens of mind-altering and behavior-changing exercises and techniques that shows you how to:

- Identify and reverse the conscious and unconscious thinking errors and food triggers that lead to the behaviors that drive our food decisions.
- Let go of the mindset of going on or off a diet in favor of a conscious quest to pursue a lifestyle of healthy eating and everyday activity--one that can last forever.
- Successfully use what Kingsford calls "dealing skills" to outsmart high-risk situations, tame stressful times, and prevent an eating "slip" from leading to a setback or all-out binge.
- Find out if you have what emerging research shows is an addiction to certain high-fat and sugar-added, processed foods that can be as powerful as addiction to cigarettes and narcotics.
- Design a personal healthy eating program built on Kingsford's 10 Principles of Healthy Eating.

**Tone It Up: Balanced and Beautiful** Katrina Scott 2018-07-24 Hey Gorgeous! Welcome to Tone It Up, a worldwide community of amazing girlfriends who support and encourage each other to live our happiest, healthiest lives. As women, we so often focus on others, but a balanced and beautiful life means prioritizing yourself so you can truly be the version of you. The best way to do that is by combining a nutritious diet, active lifestyle, and most importantly, by spreading positivity and boosting each other up. Whether you're sharing workouts or wine, female friendship is so important--plus it makes fitness a lot more fun! **BALANCED AND BEAUTIFUL** is a guide to focusing on the amazing woman that is you, with a 5-day plan to Refresh, Motivate, Inspire, Energize, and last but not least, Relax. Filled with daily fitness routines, delicious recipes, wisdom to transform your mindset, and all the love and advice of the TIU community, Karena and Katrina make it easier than ever to reach your goals and feel great. Each day, you'll find tips and advice for every aspect of your journey, told through fun and fascinating stories and secrets that will be like having your best girlfriend along for the ride. Throughout these pages, you'll feel empowered, uplifted, and connected--with the entire TIU community behind you, cheering you on towards your most confident, centered self. Ready to reset? Feeling **BALANCED AND BEAUTIFUL** is only 5 days away!

**Sarah Fit: Get Skinny Again!** Sarah Dussault 2013-12-10 Teaches readers how to continue to stay fit through fun and innovative exercises that will help them regain and maintain the body they have always wanted.

**75 Hard** Andy Frisella 2020-04 Do you lack confidence, grit, endurance, fortitude, self-esteem and all the other things that don't just make someone great, but successful in everything they do? What if you could completely transform yourself into someone who could do anything? I'm not talking about the change that happens for a week or a month or a year...but for your whole life? What would that legitimately and realistically be worth to you? Everybody tries to tell themselves that they are "special" or "great"...but it's just talk. It's not reality. This book tells you how to do that. It doesn't cost anything to execute this program...but it ain't free. I guarantee if you do exactly as I tell you to do it with no compromises and zero substitutions...you and your life will never be the same.--Andy Frisella

**The Rebel's Apothecary** Jenny Sansouci 2020-05-19 Learn how to improve your health and wellness with the healing magic of cannabis, CBD and medicinal mushrooms. When health coach and wellness blogger Jenny Sansouci learned that her father was diagnosed with stage 4 pancreatic cancer, her extensive knowledge of the latest alternative therapies was put to the test. Jenny dove into the world of cannabis and mushrooms and their medicinal properties - and she and her dad are now outspoken champions of the healing power of these plants and fungi - not only to tame the side effects of chemotherapy, but to address everyday wellness concerns. The Rebel's Apothecary is the result of her heartfelt and rigorous quest -- a science-based and supportive guide that will enhance the lives of anyone living with pain, anxiety, depression, a weakened immune system, insomnia, and more. Complete with background information, dosing instructions, and everyday recipes, this is the essential handbook for harnessing the ancient healing powers of cannabis and mushrooms --safely, without confusion, fear, or an unwanted high. In addition to debunking myths and destigmatizing these powerful healing plants and fungi, The Rebel's Apothecary presents:

- Specific protocols and dosage guides for wellness uses (mood, sleep, immunity, focus, energy) and managing common chemotherapy side effects
- Everyday wellness routines
- Recipes for delicious, easy, health-enhancing cannabis and mushroom infused smoothies, coffee drinks, teas, elixirs, gummies, and broths - including recipes from chefs and wellness experts like Dr. Andrew Weil, Kris Carr, Seamus Mullen, Marco Canora and more
- The latest research on CBD, THC, medicinal mushrooms and psilocybin
- Tips for creating a cutting-edge home apothecary of your own

**A Book That Takes Its Time** Irene Smit 2017-10-03 Take time to breathe. Take time to create. Take time to reflect, take time to let go. A book that's unique in the way it mixes reading and doing, **A Book That Takes Its Time** is like a mindfulness retreat between two covers. Created in partnership with *Flow*, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life's little pleasures, **A Book That Takes Its Time** mixes articles, inspiring quotes, and what the editors call "goodies"--bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and more--giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to "The Joy of One Thing at a Time Notebook" tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner's Mind. Embrace the art of quitting. Take the writing cure. And always smile. Move slowly and with intention through **A Book That Takes Its Time**, and discover that sweet place where life can be both thoughtful and playful.

**The Bikini Body 28-Day Healthy Eating & Lifestyle Guide** Kayla Itsines 2016-12-29 The body transformation phenomenon and #1 Instagram sensation's first healthy eating and lifestyle book! Millions of women follow Kayla Itsines and her **Bikini Body Guide 28-minute workouts**: energetic, kinetic, high-intensity interval training sessions that help women achieve healthy, strong bodies. - 200 recipes such as fresh fruit breakfast platters, smoothie bowls, and salads
- A 4-week workout plan which includes Kayla's signature 28-minute workouts
- Full-colour food shots and photos featuring Kayla throughout

**The Bikini Body 28-Day Healthy Eating & Lifestyle Guide** Kayla Itsines 2016-12-27 The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

**Cook Happy, Cook Healthy** Fearne Cotton 2016-06-02 'Brill new book!' Jamie Oliver Delicious recipes to make life just that bit healthier and a lot easier. "Most of the food you put in your body should have ingredients that make your skin glow, your hair shine, your body feel energised, your eyes bright and your kids and friends happy. Even the naughty treats can have good stuff in them too! If you love cooking and baking and are happy, like me, to whittle away the hours with spatula in hand then hopefully you'll enjoy my ideas and recipes." - Fearne Cotton Fearne Cotton is one of our best-loved television and radio presenters. She is also a keen healthy baker and young, busy, working mum who has found some great ways to eat well and eat clean. Her first cookbook, **Cook Happy, Cook Healthy**, is full of easy, fast and healthy recipes for everything from breakfast and speedy suppers to baked treats. Delicious dishes include Quick Granola, Courgette Fritters with Herby Yoghurt Dip, Halloumi and Roasted Beetroot Salad, and Almond and Apricot Biscuits. With an eye to food bills and time-poor households, the ingredients are easy to buy and few in number, and the methods very simple.

**The Bikini Body Motivation and Habits Guide** Kayla Itsines 2017-11-14 Use the power of motivation and good habits to become fitter, healthier and stronger, for life! **Bikini Body Guides (BBG)** co-creator Kayla Itsines, named the world's number one fitness influencer by *Forbes*, shows you how to harness the power of motivation and build good habits around health and fitness. Drawing on more than 40,000 survey responses from her global online community, as well as extensive research and her experience as a trainer, Kayla addresses what stops us from following through on our health and fitness goals. In her second book, **The Bikini Body Motivation & Habits Guide**, Kayla explores how you can overcome those obstacles, set goals and stick to a long-term plan for better health. Inside, you'll find helpful checklists and templates, a 28-day meal plan, more than 200 simple and delicious recipes, shopping lists and a pull-out 28-day workout poster. Let global fitness phenomenon Kayla show you how YOU can stick to a plan for long-term health. "In this book, I give you the keys to achieving your goals and show you how to use motivation to create healthy habits that will stick."

**Well+Good's Eating for Wellness** Alexia Brue 2019 Well + Good's **Eating for Wellness** is the go-to authority for treating yourself right. These 100 recipes (50% of which are new and exclusive) are contributed by trusted voices in a variety of fields, including Gabby Bernstein (spirituality), Bobbi Brown (beauty), Joey Gonzalez (fitness), Candice Kumai (nutrition), and more. These are the recipes your wellness idols rely on every day in their busy, real lives-- and now you'll be able to do the same. The health factor in these recipes is implicit, of course, and will be denoted with the expected tags like vegan, paleo, gluten-free, and keto. But in addition, each recipe offers specific wellness factors, which will also be denoted- Better Skin, Better Sleep, Better Sex, Better Mood, Better Focus, Better Digestion, Better Energy. The recipes are organized by meal, but the book also contains a wellness index so you can act on your specific goals. Use the book whichever way works best for you, and know you'll feel like the best version of yourself.
