REAL Loch Ness Monster David Jefferis 2012-10-25 Imagine... an expanse of water vast enough to hide a thousand secrets...A creature lurking in the inky, hidden depths... A beast with the power of legend... A monster that's long, fierce, and scaly... A leviathan that's been hunted again and again...Without success. Until, perhaps, now...And for readers, a chance to track down the valuable Silver Ness, a hidden treasure, awaiting discovery...Read the book, find the clues, search for the Silver NessThere are dozens of clues hidden in the words and pictures of TRLNM. When you have read the book, the next step is to solve those clues, puzzles and riddles in a quest to find the valuable treasure, a unique silver-ingot pendant we call the Silver Ness, "e;the monster with the gemstone eyes."e;Secrets of the K-LabOur monster hunters are based at the Knowledge Lab, or "e;K-Lab"e;, a hidden base used by Dr Nicholas Know and Hilda Hunter to investigate "e;The Bizarre and Unbelievable"e; around the world.

Singapore: World City Kim Inglis 2014-02-18 With stunning photographs and insightful commentary this travel pictorial and Singapore travel guide captures the dynamism of a remarkable Pacific nation. In just a few short decades, Singapore has transformed itself from a tiny island off the coast of mainland Asia into a global superpower in banking, IT, education, biotech, transportation and many other fields. The fascinating story of how this tiny city-state which has no hinterland, no natural resources, and a relatively small population has achieved success is told in this book. Singapore's history as a British colonial port, its dynamic multi-ethnic population, and its innovative governmental and social structures, are a part of the story. But there are others as well. How Singapore became a regional hub for finance, shipping and air travel, and now also for the arts, sport and leisure are all showcased in dynamic detail, with over 300 full-color photographs to illustrate graphically how this small island functions like a well-tuned racing machine. Author Kim Inglis, a journalist and long-time local resident, leads the reader on a series of explorations through Singapore's most notable districts and neighborhoods, explaining the growth and importance, and showcasing what they have to offer the visitor. Included are many lesser-known corners of the island which very few visitors ever get to see!

The Cities Book Lonely Planet Kids 2016-09-01 Take a trip through 86 of the world's greatest cities. The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

City Trails - Sydney Lonely Planet Kids 2017-10-01 Here's a book about Sydney that's seriously streetwise. Colourful themed trails, from history and culture to food and nature, reveal amazing facts and intriguing tales that kids won't find on the tourist routes. We'll show them where to find haunted pubs, ancient Aboriginal art, the best surfing beaches, and lots more!

Cities Then and Now 1 Lonely Planet Kids 2020-10 This fun and colourful lift-the-flap book gives a unique insight into how cities looked in the past, compared to how they look now. With ancient cities and ruins including Pompeii, Great Zimbabwe and Babylon, discover how history has shaped our planet's urban areas and changed them over time. Featured cities include: Thebes in Egypt (c. 900 BCE) - Shows the ancient Egyptian capital of Thebes compared to the modern city of Luxor. Featured elements include the Temple of Karnak, the Temple of Luxor and King Tutankhamun's Tomb in the Valley of the Kings Constantinople, Turkey (c. 550) - Highlights the capital of the Eastern Roman/Byzantine Empire as it looked at its peak in the 6th century, with its giant hippodrome compared with the modern city of Istanbul Aarhus, Denmark

(c. 950) - Showcases the Viking city of Aarhus as it was in the 10th century, compared to the port city that has grown up in its place Tenochtitlan, Mexico (c. 1521) - Exhibits the vast capital of the Aztecs as it was at the moment of the Spanish invasion compared to the cosmopolitan Mexico City which was built on top of it Rio de Janeiro, Brazil (c. 1565) - Explores the Brazilian city as it looked at the moment of its foundation, still largely covered in tropical jungle, to how it looks now London, United Kingdom (c. 1666) - Delves into how London has changed since the time of the Great Fire of London to the present day And much, much more! About Lonely Planet Kids: Lonely Planet Kids - an imprint of the world's leading travel authority Lonely Planet - published its first book in 2011. Over the past 45 years, Lonely Planet has grown a dedicated global community of travellers, many of whom are now sharing a passion for exploration with their children. Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture, sociology, geography, nature, history, space and more. We want to inspire the next generation of global citizens and help kids and their parents to approach life in a way that makes every day an adventure. Come explore!
