Dick Sands, the Boy Captain Jules Verne 2021-12-13 Could you be Captain of a whaling ship if all the crew around you died in a tragedy? Would you even want to? And what would you do if the cook on board has plans of his own and wants to kill you? This and much more is what poor fifteen year old Dick Sands has to deal with as the only surviving crew member. Everything seems to be going according to plan. That is until the cook sabotages the ship and rather than arriving in South America, the group ends up in Africa. The evil cook's plan is to sell everyone on board into slavery. Will they survive all the obstacles and unexpected occurrences or will they fall victims to the African slave trade? 'Dick Sands, the Boy Captain' is an adventure novel which not only keeps you on the edge until the very end, but it also depicts the widespread condemnation of slavery. Jules Verne (1828-1905) was a French novelist who mostly wrote adventure fiction inspired by the scientific advances of the 19th century. With the help of editor Pierre-Jules Hetzel he wrote a series of books called 'Extraordinary Travels', which includes 'Journey to the Center of the Earth' (1864), 'Twenty Thousand Leagues Under the Sea' (1870) and 'Around the World in Eighty Days' (1873). There have been many film adaptations of Jules Verne's books with the most notable being 'Journey to the Center of The Earth' (2008) starring Brendan Fraser and Josh Hutcherson (The Hunger Games), 'Around the World in 80 Days' (1956) and 'Journey 2: The Mysterious Island' (2012) starring Dwayne Johnson. Widely popular with both children and adults, Verne is one of the most translated authors of all time, and still inspires people the world over.

Nefarious Crimes, Contested Justice Joanne M. Ferraro 2008-12 Nefarious Crimes, Contested Justice also traces shifting attitudes toward illegitimacy and paternity from the late sixteenth through the eighteenth centuries. Both the Catholic Church and the Republic of Venice tried to enforce moral discipline and regulate sex and reproduction. Unmarried pregnant women were increasingly stigmatized for engaging in sex. Their claims for damages because of seduction or rape were largely unproven, and the priests and laymen that they were involved with were often acquitted of any wrongdoing. The lack of institutional support for single motherhood and the exculpation of fathers frequently led to abortion, infant abandonment, or even infant death.

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR ARNALD OF SARRANT 2013-09-26 The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church. The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the

main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader. Among these Sources, the Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum by Arnald of Sarrant merits particular attention. It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378, and therefore contains valuable information regarding the initial period of Franciscan history. Unfortunately it is not easily available in translation because of its voluminous nature. In fact, it covers a total of 712 pages of the third volume of *Analecta Franciscana*, published by the Franciscan editors of Quaracchi in 1897. Our aim has been that of embarking on the arduous task of translating this voluminous work of history into English from the original Latin. This translation is the fruit of three years of work, and we are now happy to present it to the general public. Because of its voluminous nature we intend to divide it into 5 sections, four of which cover the 575 pages of text and one the appendixes. The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods: (1) Saint Francis and the early Franciscan fraternity; (2) The Generals from brother Elias as vicar (1227) to Saint Bonaventure (1274); (3) The Generals from Jerome of Ascoli (1274) to Michael of Cesena (1328); (4) The Generals from Gerard Eudes (1329) to Leonard of Giffoni (1378). A last section will be the translation of the appendixes. The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle. Our aim has been simply that of providing a readable translation, without pretending to be scholars of mediaeval Latin. We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies, and who we gratefully thank for their eventual advice and corrections

Dear Fiona Fiona Fullerton 2012-09-01 He was a suspected Cold War spy. She became the glamorous KGB double agent in a Bond movie. When a prisoner writes to a movie star, the best he can hope for is a signed photo. But when Alex wrote to Fiona she was beguiled by the artistry of his letters and poems. In this heartfelt memoir, the author recalls-for the first time-her 12 year correspondence with Prisoner 789959 Alexander Alexandrowicz-including his wise counsel about her marriage, divorce and career at the forefront of cinema, TV and theatre. Based on their original letters, the narrative is one of contrasts-about a man in the darkest days of prolonged incarceration and a woman surrounded by the brightest lights imaginable. Shocked by his long sentence, Alex protested his innocence and railed against the system, often from solitary confinement-while Fiona Fullerton roamed the world, a celebrity nomad. Dear Fiona is the true story of how two people from social extremes forged a 30 year bond of friendship. It also tells of how they came to rely on each other and the author's search for him after he disappeared. 'Have you ever heard of Nadejda Philaretovna von Meck? She and Tchaikovsky were corresponding for years, they never met-and yet he produced his finest work for her. My finest work shall be for you... It is you alone who has given me strength while I have been in prison, the strength to restore lost and dying hope into burning resolution.' 'Yes, the bond between us will get stronger, Alex. It will never die now. I'll always be here when you need me. I need you too...' Reviews 'Wonderful, fascinating, fantastic' Aled Jones, Good Morning Sunday, BBC Radio 2. 'Poignant, tender and informative, Dear Fiona: Letters from a suspected Soviet Spy is a wonderful collection of letters between two people who, through the power of words, set out to make life that little bit more bearable when darkness called. A powerful and engaging narrative helps showcase the immeasurable talent Alex Alexandrowicz is' www.MiloRambles.com 'Compelling, gripping, moving, insightful' Erwin James, Guardian correspondent. 'Makes for compulsive reading' Edward Fitzgerald CBE QC 'A very moving book' John Hostettler

Wine and Society Stephen Charters 2006 Wine is becoming increasingly popular in the Anglophone world and there are many books available which describe how and where it is made. However, none address the fundamental questions of different structures of production and how the consumer relates to the product - this book is the first to do just that. *Wine and Society*: the cultural and social context of wine production and consumption looks at the relationship between wine production and marketing, focussing in consumer behaviour and cultural attitudes. Divided into four parts, it examines the context of wine production, the wine consumer and the social context of wine, discussing the following themes: \* That the core of wine production and consumption is shaped by historical, geographical and cultural factors. \* Wine production - European and new world looking at the different kinds of producer and how the varying background of each shapes their perspective on what they produce \* Terroir and appellations: why demarcation and sense of place became important, how they are used to achieve marketing differentiation, and the 'benefits' (or otherwise) to the customer. \* The contemporary wine consumer and lifestyle factors - looking at wine clubs, tourism, education, culture and literature \* The politics and economics of wine - from supporting rural industries in France to protecting customers from deception and health risks. Suitable for third year and post-graduate students of hospitality, wine (both in production and marketing), wine tourism, gastronomy and related courses, it encourages students to think critically about the issues raised by using real life case studies and examples from around the world, also including press releases and marketing campaigns.
