Should have paid more attention to the trees looming over her family's fields. Now Sela is gone. Knowing full well the danger of the forest and its beast, Larkin goes after her anyway. With her sister clutched in her arms, she manages to escape, but not before discovering the truth lurking beneath the wicked boughs. She may have evaded the beast once, but with the full force of his magic now fixated on her, she isn't sure how much longer she can resist.

*The Forty Rules of Love* Elif Shafak 2010-02-18 In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

*Which Witch?* Eva Ibbotson 2008-09-04 *Which Witch?* is a brilliantly witty tale of magic and marriage by Eva Ibbotson, shortlisted for the Carnegie Medal. 'Find me a witch!' cried Arriman the Awful, feared Wizard of the North. Arriman has decided to marry. His wife must be a witch of the darkest powers - but which witch will she be? To find the most fiendish, he holds a spell-casting competition. Glamorous Madame Olympia performs the terrifying *Symphony of Death* and conjures up a thousand plague-bearing rats. The magic of gentle Belladonna, the white witch, goes hopelessly wrong. She produces perfumed flowers instead of snakes. And bats roost in her golden hair instead of becoming blood-sucking vampires. Poor Belladonna longs to be an evil enchantress - but how? 'This kind of fun will never fail to delight' - Philip Pullman.

*Murder on the White Sands* Corey Recko 2007 "The evidence pointed at three men, former deputies William McNew, James Gililland, and Oliver Lee. These three men, however, were very close with powerful ex-judge, lawyer, and politician Albert B. Fall. It was even said by some that Fall was the mastermind behind the plot to kill Fountain. Forced to wait two years for a change in the political landscape, Garrett finally presented his evidence to the court and secured indictments against the three suspects." "The trial took place in the secluded town of Hillsboro. The murders of the Fountains became an afterthought as the accused men, defended by their attorney Fall, pleaded innocence. Missing witnesses plagued the prosecution, and armed supporters of the defendants, who packed the courtroom, intimidated others. The verdict: not guilty."

Eight Princesses and a Magic Mirror Natasha Farrant 2020-05-05 What makes a princess excellent? Eager to learn the answer, an enchantress casts her magic mirror into our universe. Reflected in it are princesses from around the world and across centuries who refuse to be pretty, polite, and obedient. Princess Leila of the desert protects her people from the king with the black-and-gold banner; Princess Tica takes a crocodile for a pet; Princess Ellen explores the high seas; Princess Abayome puts empathy and kindness above royal beauty; and in an apartment building, a girl named Princess saves her community's beloved garden from the hands of urban developers. These girls are fierce, brave, and determined to do the rescuing themselves. Connecting their stories is the magic mirror, which reveals itself when each girl needs it most, illuminating how a princess's power comes not from her title or looks, but from her own inner strength. These beautifully imagined stories, complemented by vibrant and inviting artwork, are by turns charming and bold, familiar and surprising.

*The Psychosocial Implications of Disney Movies* Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
