Woodlawn Todd Gerelds 2015-09-15 This riveting true story of courage, strength, and football at the height of racial tension in Birmingham, Alabama, inspired the motion picture *Woodlawn*, and tells the story of Coach Tandy Gerelds, his running back Tony Nathan, and a high school football game that healed a city. *Woodlawn* is soon to be a major motion picture starring Jon Voight, Nic Bishop, and C. Thomas Howell. In the midst of violent, impassioned racial tensions in Birmingham, Alabama, new football coach, Tandy Gerelds, was struggling to create a winning football team at Woodlawn High School—one of the last schools in Birmingham to integrate. The team he was handed did not have the caliber of players he needed to win—until he saw Tony Nathan run. But Tony was African American and Coach Gerelds knew that putting him in as running back would be like drawing a target on his own back and the back of his soon-to-be star player. But Coach Gerelds saw something in Tony, and he knew that his decision to let him play was about more than football. It was about doing what was right for the school...and the city. And soon, the only place in the city where blacks and whites got along was on Coach Gerelds's football team. With the help of a new school chaplain, Tony learned to look beyond himself and realized that there was more at stake than winning a game. In 1974, Coach Gerelds's interracial team made Alabama history drawing 42,000 fans into the stadium to watch them play. It was this game that triggered the unity and support of the Woodlawn High School Colonels and that finally allowed a city to heal and taught its citizens how to love.

Between Two Millstones, Book 2 Aleksandr Solzhenitsyn 2020-11-15 This compelling account concludes Nobel Prize-winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of *The Gulag Archipelago*. The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between him and Western opinion makers. In *Between Two Millstones*, Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones, each grinding away—the Soviet Communist power with its propaganda machine on the one hand and the Western establishment with its mainstream media on the other. *Book 2* picks up the story of Solzhenitsyn's remarkable life after the raucous publicity over his 1978 Harvard Address has died down. The author parries attacks from the Soviet state (and its many fellow-travelers in the Western press) as well as from recent émigrés who, according to Solzhenitsyn, defame Russian culture, history, and religion. He shares his unvarnished view of several infamous episodes, such

as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev's protracted refusal to allow *The Gulag Archipelago* to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, including meetings with Margaret Thatcher and Prince Charles and Princess Diana. Meanwhile, the central themes of Book 1 course through this volume, too—the immense artistic quandary of fashioning *The Red Wheel*, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia while cut off from the homeland in a remote corner of rural New England. The book concludes in 1994, as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders, including John Paul II, and prepares at last to return home with his beloved wife Natalia, full of misgivings about what use he can be in the first chaotic years of post-Communist Russia, but never wavering in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of *Between Two Millstones*, Book 2, will fascinate Solzhenitsyn's many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

Bonding Maggie Siebert 2022-02-08 "Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves—it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of *Negative Space* "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of *Hunchback '88*

Invisible Allies Aleksandr Isaevich Solzhenitsyn 2014-10-13 After his expulsion from Russia in 1974 for undermining the Communist regime, Solzhenitsyn wrote a secret record, while it was still fresh in his mind, of the courageous efforts of people who hid his writings and smuggled them to the West. Before the fall of Communism he could not have published *Invisible Allies* in conjunction with his memoir *The Oak and the Calf* without putting those friends in jeopardy. Now the facts may be revealed in this intimate account of the network of individuals who risked life and liberty to ensure that his works were concealed, circulated in "samizdat", and exported via illicit channels. These conspirators, often unknown to one another, shared a devotion to the dissident writer's work and a hatred of an oppressive regime of censorship and denunciation. The circle was varied enough to include scholars and fellow writers, and also elderly babushkas who acted as couriers. With tenderness, respect and humour, Solzhenitsyn speaks of these partners in conspiracy: the women who typed copies of his works under the noses of prying neighbours; the journalists and diplomats who covertly carried microfilms across borders; the friends who hid various drafts of his works from the vigilance of the secret police.
