A Nice Piece of Bread: A Memoir Susan Fidel 2016-03-29 Susan Fidel and her husband share their time among Nantucket, Massachusetts, Waitsfield, Vermont, and Delray Beach, Florida. Besides writing, she loves to read, paint, do photography, garden, and spend time with her family.

Brighter Days Jennifer Bright 2021-10-05 Brighter Days: Pregnancy and Parenting Tips by the Mommy M.D. Guides is filled with tips that doctors who are also mothers use for their own families. These " Mommy M.D. Guides " draw on their expertise as physicians and their experience as moms—they're experts, squared. Combined, they draw from hundreds of years of experience as physicians, and among them, they have dozens of children! In this book, you'll discover how Mommy MD Guides made it through pesky pregnancy challenges such as morning sickness, back pain, and heartburn and parenting issues like preventing and treating colic, diaper rash, and ear infections. You'll also learn how they enjoyed wonderful celebrations of pregnancy, such as telling their partners the good news, attending baby showers, and meeting their babies for the first time and parenting highlights like reading to your baby, traveling with kids, and nurturing your relationship. Sprinkled throughout the book you'll also discover products that Mommy MD Guides use for their own families and critical advice on when to call the doctor. Here's to your happy, healthy pregnancy and parenting journey!

The Stories Clothes Tell Tatsuchi Horikiri 2016-04-15 Spanning decades of research, this compelling social history tells the stories of ordinary people in modern Japan. Tatsuchi Horikiri spent a lifetime searching out old items of clothing—ranging from everyday kimono, work clothes, uniforms, and futons to actor's costumes, diapers, hats, aprons, and bags. Simultaneously he collected oral history accounts to shed light on those who used these items. Horikiri reveals not only the difficult and sometimes desperate lives of these people, most from the lower strata in early twentieth-century Japan, he illuminates their hopes, aspirations, and human values. He also explores such topics as textile techniques, the history of fashion, and the ethnography of clothing and related cultural phenomena. Having been wrongly accused and tortured by the Japanese military police in China during World War II, Horikiri takes a deeply empathetic view of all those who struggle—from peasants and coal miners to traveling salesmen and itinerant performers. This personal connection sets his account apart, giving his writing great power and immediacy. Students and scholars of Japanese history, as well those interested in material culture, labor history, and feminist history, will find this book deeply illuminating.

CRIB V: My Lawfully Diapered Husband David Lomas 2019-03-20 Poor Stephanie Wetbottom. Ops. Sorry. We got ahead of the story. Let's start again... Poor Stephan Warsham. He's just signed a studio deal to star in six major motion pictures over the next year. But there is a teeny problem: he's been kidnapped, caged, and diapered. He's wearing plastic panties, a pacifier, oversized mittens, and a frilly bonnet. Yet the most terrifying thing he sees in the overhead mirror is his face. He looks like a baby. He scans the room around him. It is a sprawling nursery stocked with cruel toys for naughty boys, racks of frilly dresses and rompers, a makeup counter, and feminine frou-frou galore. His nursery is painted pink. But pink is for girls... GIRLS...! Uh-oh. Someone wants him baffled AND terrified. Stephanie - sorry, still Stephen - will soon learn he has been taken to a special wing of The CRIB: the asylum for the Creative Reinroduction of Infantile Behavior. He is going to be a movie star all right. A star in diapers. Miss Stephanie Wetbottom. Stephanie will be a box office hit. Fans will clamor for more. But Miss Wetbottom has no control over her fate. Someone else owns her contract. Someone else controls her. She has surrendered all rights. Poor Stephanie is about to get married. She will be forced crawl up the aisle. She will kneel submissively, restrained and gagged, during the entire ceremony. She will bow her head shamefully while her mother recites her vows. But wait! Is this just a scene from her movie? Or is it real? One thing is certain: this is just the beginning for Stephanie Wetbottom. This story is intended for adults 18 years of age and older. It involves femdom, age play, regression, ABDL, DDLG, bondage, discipline, spankings, cross-dressing, public humiliation and perpetual taunting, teasing and twists. And, of course, it has a happy ending. But it's not really the end.

The French Have a Word for it Georges Feydeau 1983 Little Theatre Comedy Georges Feydeau, Translated by Barnett Shaw Characters: 13 male, 6 female 3 interior scenes The action revolves around a flirt who refuses lovers so long as her husband is faithful. A wild plot to entrap her stumblingly husband in flagrante delicto becomes so frenetic that the seducers, angry husbands, spying wives, innocent maids, pubescent bellboys and police inspectors lose track of who's in bed with whom. "Sheer delight." Dallas Downtown News.

The Elephant in the Playroom Denise Brodey 2008-02-26 A view from within the whirlwind of parenting a child with special needs Four years ago, Denise Brodey's young son was diagnosed with a combination of special needs. As she struggled to make sense of her new, chaotic world, what she found comforted her most was talking with other parents of kids with special needs, learning how they coped with the emotional, medical, and social challenges they faced. In *The Elephant in the Playroom*, Brodey introduces us to a community of intrepid moms and dads who eloquently share the extraordinary highs and heartbreaking lows of parenting a child with ADD/ADHD, sensory disorders, childhood depression, autism, and physical and learning disabilities, as well as kids who fall between diagnoses. Hailing from Florida to Alaska, with kids ages three to thirty-three, the parents in this collection address everything from deciding to medicate a child to how they've learned to take care of themselves, offering readers comfort, kinship, and much-needed perspective.

By Love Reclaimed Adrian Finkelstein 2012-07-09 In July 1932, MGM producer and notorious nice guy Paul Bern marries the love of his life, screen icon Jean Harlow. Two months later, he is found shot to death in their Benedict Canyon home, the victim of a Hollywood cover-up that eventually portrays him in the media as a sick, impotent wife-beater. Modern day intuitive Valerie Franich and renowned psychiatrist Adrian Finkelstein partner together in order to dispel Hollywood lore and share the true story of Harlow and Bern. Through the use of hypnotic regressions and extensive research, Franich and Finkelstein offer a glimpse into the life of the young ingénue as she makes her way in Hollywood, falls in love with the older Bern, and becomes the innocent prey of MGM boss Louis Mayer who fixes the evidence to make her beloved husband's death look like a suicide. As Harlow returns to reclaim her husband's good name and stellar reputation, she reminds everyone that love is indeed eternal. By Love Reclaimed shares an enlightening and heartwarming look at reincarnation and the Hollywood scene during the 1930s while shedding a new light on an old mystery. Winner of The Pinnacle Book Achievement Award for Fall 2012

Potty Train Your Child in Just One Day Teri Crane 2006-06-06 Finally... a fun, easy-to-use guide to potty training any child in just ONE DAY! Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to: • Look for the signs that your child is ready to be potty trained • Make the potty connection by using a potty-training doll • Create incentive through consistent positive reinforcement • Use charts, quizzes, and checklists to help with every step of potty training • Know when it's time to bring in a potty pinch hitter • Complete your potty training -- no more accidents Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

Weekly World News 2001-05-22 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

My Bert Has Alzheimer's Paula de Ronde 2022-01-26 My Bert Has Alzheimer's is an intimate, detailed account of a wife's experience with her husband's dementia. As Paula de Ronde quickly learned, life for two people — patient and caregiver — is thrown into disarray with a diagnosis of Alzheimer's. Ambushed by the disease, it is a journey into the unknown, but one that features an abundance of love, hope, and support. There is no shying away from the horror of the disease, but its awfulness doesn't strip from the experience of the powerful companions that accompany those enduring it — namely, love, laughter, and community. Thrust into the caregiver role for her other half who used to be her equal and best buddy, making all kinds of decisions together, Paula now enters a new world of uncertainty and chaos. There is no roadmap. Instead she learns that the disease is as individual as each person who contracts it. Here is a caregiver's poignant and revealing story of the mental, physical, and emotional stress of caring for the love of her life, her Bert, as he gives over to his neurological disease. The caregiver's life is far from easy. Yet fueled by love, which never wanes, each step of the way is handled with grace and the help of care partners. Alzheimer's steals memories but also gives teaching moments. As the disease progresses Paula learns to be more tolerant, patient, compassionate and accepting of human frailties. Alzheimer's releases an inner strength. She meets each challenge, finds a solution to each issue that arises, then passes on her new-found knowledge to others. She learns the value of having a support group. Alzheimer's cements the old adage that laughter is the best medicine. Together she and her Bert become stronger than the disease. With humor, compassion, wisdom, and deep feeling, she describes this slice of their conjoined lives. More than a record of the impact of a disease this is, at its essence, also a love story. Skewed Kaidin Rainne 2013-12-23 This story is about a bipolar woman who attempts to find stability, productivity, and love in her life. She isn't very successful but there are hints that everything will turn out right in the end.

Abortion in Post-revolutionary Tunisia Irene Maffi 2020-05-01 After the revolution of 2011, the electoral victory of the Islamist party 'Ennahdha' allowed previously silenced religious and conservative ideas about women's right to abortion to be expressed. This also allowed healthcare providers in the public sector to refuse abortion and contraceptive care. This book explores the changes and continuity in the local discourses and practices related to the body, sexuality, reproduction and gender relationships. It also investigates how the bureaucratic apparatus of government healthcare facilities affects the complex moral world of clinicians and patients.

Bye-bye, Diapers Ellen Weiss 1991 Baby Piggie describes what she didn't like about wearing diapers and why she doesn't need them anymore Faith in Crisis Sharon McMahon Miller 2015-01-23 Burst through the matrix of purifying fire and wrestle with the whirlwind of Gods power to discover how one child can test your faith. Faith in Crisis: Loving Your ADHD Child will empower readers with creative suggestions to celebrate success in winning the daily battles with a child diagnosed with attention deficit hyperactivity disorder.

Coffee with Rosie Rosalie Bent 2020-04-02 "Coffee with Rosie: why does my partner want to wear diapers?" is a new style of book designed for the partners of Adult Babies and Diaper Lovers. Written in conversational style, it is written specifically for the non-ABDL partner. However, ABDLs themselves could learn a great deal about why their partner reacts the way they do, by reading how one woman — Rosalie Bent — travelled the path from total opposition, to becoming a parent of an AB. If you want to help improve the understanding of ABDL within your relationship, this is the perfect first step. It is short enough and simple enough to not intimidate someone who wants to understand.

Black and White Bible, Black and Blue Wife Ruth A. Tucker 2016-03-01 Ruth Tucker recounts a harrowing story of abuse at the hands of her husband—a well-educated, charming preacher no less—in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced biblical approach to counter such abuse for pastors and counselors. Weaving together her shocking story, stories of other women, and powerful stories of husbands who truly have demonstrated Christ's love to their wives, with reflection on biblical, theological, historical, and contemporary issues surrounding domestic violence, she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship.

Hard Time & Nursery Rhymes Claudia Trupp 2009-04-14 What kind of woman leaves three young daughters at home every morning to spend her days representing convicted murderers and rapists? That is the question criminal defense attorney Claudia Miller confronts in this sharp and riveting memoir as she seeks answers—for herself and, mostly, for her daughters. Every working mother faces the challenges of balancing work and home, but the nature of Trupp's work makes her juggling act all the more precarious—and at times hilarious and bizarre. Trupp's domestic anecdotes of life with her kids run parallel to narratives of her most memorable, and often unsettling, criminal cases, each providing a platform to explore broader issues such as faith, perspective, and charm. The navigation of radically different realms—the criminal courts and maximum security prisons where clients serve hard time, and the home front where children demand marshmallows for breakfast—provides thought-provoking and entertaining reading. While the working mother has been a popular subject of fiction and self-help guides, this may be the only book offering a woman's deeply personal and unapologetic account of how embracing a challenging job while simultaneously guiding a family reaps unexpected benefits on both fronts. In a memoir that will resonate powerfully with all women, Trupp candidly conveys to the reader and to her daughters the struggles and rewards of the conflicting roles in her life, the joy she has found in being a mother, and the value of meaningful work.

Your Baby, Your Way Jennifer Margulis 2015-03-17 "Originally published as The business of baby."

When Husbands and Wives Become Parent and Child - North American Diaper Edition Maggie Joyce 2022-05-10 Maggie Joyce, author of 'The Fulltime, Permanent, Adult Infant' writes of relationships where the adult relationship is partly or significantly replaced by a parent/child one. That 'child' could be an older preschooler or a toddler or even a baby right down to almost newborn. For most adult babies, their regression is limited and more under control, but for some, it is so significant and long-lasting that it creates a permanent change in the relationship paradigm. This book has case studies on other couples that have embraced - willingly or not - varying aspects of the parent/child relationship. She then gives some clues and advice on taking some of the angst out of relationships where one is an adult baby and the other is struggling to handle it.

The Diaper Dungeon: Molly's Extreme Diaper Punishment (an ABDL Novella) Nanny Chloe 2019-04-20 Dr. Katherine Olivia is head of the brand new Experimental Behavior Corrections Wing of her hospital, and she has a very special method of discipline she plans to meet out... Diaper Discipline. Why? Because Dr. Olivia knows that forcing her naughty subjects to wear and use diapers is the ultimate act of humiliating submission. But the domination doesn't stop there. No, it's just getting started. Spankings. Punishment enemas. And public messing are all in store for the naughty ones who end up subject to her rule. And Molly, the department's newest unsuspecting patient, is about to get it worst of all. This full-length, erotic ABDL novella will have you on the edge from start to finish. It's full of corporal punishment, diaper discipline, humiliation, diaper bondage, and some very soggy and very messy accidents! For mature readers only!

The Toddler Chronicles Mel Butler 2018-10-08 The Toddler Chronicles by Mel Butler [-----]

Understanding Adult Babies: Their Psychology and Lifestyles Michael Bent 2019-08-14 The world of the Adult Baby can appear bizarre and incomprehensible to many from the outside looking in. Even to Adult Babies themselves the powerful drives and confusing needs can be a struggle to manage. In the Bent's second major work on the topic, this book dissects the psychological structure of Adult Infantile Regression and seeks to answer many of the seemingly unanswerable questions such as 'why are people attracted to diapers?', 'where did this all come from' and 'what do I do about this?' Discover more at www.abdiscovery.com.au This book is

designed not just for Adult Babies themselves, but also family, friends, partners and therapists who want to simply understand what is going on. There is a lot more to Adult Babies than diapers and pacifiers. Read this book to learn more!

The Country Almanac of Housekeeping Techniques That Save You Money Richard Freudenberger 2012-01-01 "The Country Almanac of Housekeeping Techniques That Save You Money is an empowering book that shows us all how to live healthier and greener, save money, take care of our homes and yards, and do it all ourselves! It would make a great gift for any homeowner."—Brigitte Mars, www.brigittemars.com, co-author of The Country Almanac of Home Remedies Our forefathers and mothers knew how to keep their homes clean and homey—and live richer while spending less. Many of today's products are expensive, bad for the environment, and don't work any better than Grandma's methods, which only cost pennies. The editors at Back Home Magazine have collected hundreds of formulas for effective cleaning, gardening, and home maintenance—as well as ways our ancestors saved on heating bills, prevented costly repairs, and maintained a cozy, charming home with little besides ingenuity. Drawing on the advice and techniques of contributors across the country, this indispensable guide shows you the best ways to take care of everything in your home from wood floors, to tile, to stainless steel appliances—and how to get the longest life out of every household item from pots and pans to pillowcases. The Country Almanac of Housekeeping Techniques That Save You Money is chock-full of solutions, recipes, and how-to projects for living a simpler, cleaner life and keeping your home beautiful.

First Responder Jennifer Murphy 2021-04-06 One woman's incredible story of life on the front lines as an emergency medical worker in New York City. On the streets of New York City, EMTs and paramedics do more than respond to emergencies; they eat and drink together, look out for each other's safety, mercilessly make fun of one another, date one other, and, most crucially, share terrifying experiences and grave injustices suffered under the city's long-broken EMS system. Their loyalty to one another is fierce and absolute. As Jennifer Murphy shows in the gripping and moving First Responder, they are a family. A dysfunctional family, perhaps, but what family isn't? Many in the field of pre-hospital emergency care have endured medical trauma and familial hardship themselves. Some are looking to give back. Some are desperate for family. Some were inspired by 9/11. Still others want to become doctors, nurses, firefighters, cops, and want to cut their teeth on the streets. As rescuers, they never want people to die or get hurt. But if they are going to die or get hurt, first responders want to be there. Despite the vital role they play New York City, EMTs are paid less than trash collectors, and far less than any other first responder makes, even though the burden of medical emergencies fall on the backs of EMTs and medics. Yet for Jennifer and her brothers and sisters, it's a calling more than a job. First responders are constantly exposed to infectious diseases, violence, and death. The coronavirus pandemic did not change that math; the public is just more aware of it. After 9/11, EMT training schools experienced a surge in applications from civilians wanting to become first responders, inspired by rescuers who responded to the terrorist attacks and rushed into the burning towers when everyone else ran out. The same will almost certainly be true post-coronavirus as people are moved by a desire to help in times of crisis in a more direct way. Funny and heartwarming, inspiring and poignant, First Responder follows Jennifer's journey to becoming an EMT and working during and beyond the Covid-19 pandemic. She will bring readers inside an intense world filled with crisis, rescue, grief, uncertainty, and dark humor. First Responder will move readers to a greater understanding and appreciation of those fighting for them—wherever they live—in a world they hardly know or could imagine.

The BIG Book Of Sissy Baby Stories Christine Kringle 2022-02-22 Christine Kringle is a very popular author of sissy baby short stories and novels. This BIG book of 167,000 words has 16 short stories dealing with the wonderful world of sissy babies.

So, your teenager is wearing nappies! Rosalie Bent 2019-11-05 All around the world parents are discovering their teenagers are trying out nappies and some of them keep wearing them. It is not a new phenomenon, but it is increasingly becoming a frustration and a fear among parents who simply don't understand it. This book helps explain some of the motivations behind teenage nappy/diaper desires and to allay parent's fears. Rosalie Bent methodically goes through the issues relating to teenage nappy-wearing and helps you to not feel afraid of it and to understand it better. One of the classic books relating to the world-wide phenomenon of nappy-wearing for teens and adults.

Dream Sequence J.J. DiBenedetto 2015-01-20 Sara Barnes thought her life was perfectly ordinary – until the night she began stepping into other people's dreams. Follow Sara as she learns to cope with this extraordinary gift (or curse) in the first three books of the Dream Doctor Mysteries: DREAM STUDENT It's bad enough that, thanks to her supernatural talent, Sara is learning more than she ever needed to know about her friends and classmates, watching their most secret fantasies whether she wants to or not. Much worse are the other dreams, the ones she sees nearly every night, featuring a strange, terrifying man who commits unspeakable crimes. Now Sara wonders if she's the only witness to a serial killer – and the only one who knows when and where he's going to strike next. DREAM DOCTOR Medical school and life as a newlywed would be enough by themselves for anybody to handle. But Sara's got another problem – her dreams have started up again. Almost everyone at the medical school is dreaming about the death of the school's least popular teacher, Dr.

Morris, and once again, Sara finds herself in the role of unwilling witness to a murder before it happens. But this time, there are too many suspects to count, and it doesn't help matters that she hates Dr. Morris every bit as much as any of his would-be murderers do. DREAM CHILD Sara thought she had made peace with her dreaming talent, but she's got a surprise coming: her four-year-old daughter has inherited it, too. Unraveling a mystery with lives on the line is difficult enough under the best of circumstances. But when Sara has to view all the evidence through the eyes – and dreams – of a toddler, it may be an impossible task.

The Goddess Guide to Divorce Evelynne Michaut 2019-11-04 Young Evelynne dashes through the sanitarium her grandfather founded, the one where her entire family works and gathers, and where she is used to seeing the faces of the handicapped, the infirm, as they strive to heal. As she explores this curious playground, pondering if perhaps she's invisible, she has no idea that she will one day carry a handicap of her own—one perpetrated on her as a child that, though buried deep within, will cripple her emotionally, physically, and spiritually for decades, affecting each of her relationships. In candid, sometimes heartbreaking, sometimes hilarious prose, the author allows us a front-row seat to three very different marriages and their eventual demises, as she slowly discovers the source of her dysfunctional sex life, chronic pain, and deeply embedded emotional baggage. In the process, she learns to rejoice in her Divine Femininity, and, ultimately, find the capacity to finally, truly, love herself.

Dum Spiro Spero Sashko Voroniev 2020-11-08 He is the author of Dum Spiro Spero: Part 1 and 2, his first nonfiction historical memoir novel. Part 1 was inspired by his mother's story, which tells a real-life account of his family's life strife and success. It is very unique, a story that has not been documented. Part 2 is his story, which he feels would complement part 1. In conversations about events in his family's life and his own, many people said he should write a book to tell these stories. When he was laid off

Midlife Cabernet Elaine Ambrose 2014-03 -Publisher's Weekly; "laugh-out-loud funny!" -ForeWord Reviews: "an argument for joy!" -2014 Silver Medal Winner for Humor - Independent Publisher Book Award (IPPY) First Place for Humor - North American Book Award Welcome to Midlife Cabernet! This title is SO much better than the original working title of Elderly Wino. If you're a feisty, robust female tumbling down the far side of fifty, grab a glass of cabernet (oh hell, grab the whole bottle), wear your rhinestone-studded reading glasses, and savor some witty words of wisdom: - Enjoy midlife love, sex, and passion (with another actual, living person) - Turn your adult children's old room into a wine bar so they can't move back home - Remain confident when your boobs sway like tube socks, you're a case study for Irritable Bowel Syndrome, and your aging parents forget your name Yes, midlife is your reward for not dying young. So, drink it all in, Sisters! The best is yet to come.

Senso: The Japanese Remember the Pacific War Frank Gibney 2015-04-29 This acclaimed work is an extraordinary collection of letters written by a wide cross-section of Japanese citizens to one of Japan's leading newspapers, expressing their personal reminiscences and opinions of the Pacific war. "SENSO" provides the general reader and the specialist with moving, disturbing, startling insights on a subject deliberately swept under the rug, both by Japan's citizenry and its government. It is an invaluable index of Japanese public opinion about the war.

A Mother's Guide To Diapered Teens Shelley Carter 2021-07-31 "When my six year old son came to me and asked if he could wear diapers again I smiled, said no and life went on. When my ten year old son once again asked if he could wear diapers despite the fact he hadn't wet his bed since he was 4, I again said no and moved on, thinking nothing about it. When I found wet diapers in my thirteen-year-old son's bedroom, I realised there was a problem to deal with. My first decision was to panic. My second was to seek a therapist. When that was useless, I decided to seek real information - and I found it. This book is part our journey and part guidebook for other mothers (and fathers) who may be facing a similar situation. I hope it helps."

MOTHERHOOD AND BEYOND LESSONS LEARNED SHALINI PRIYA Often pregnant women have a zillion of queries. Most of their postpartum period is spent learning. They often make few mistakes and go on a guilt trip. Especially when they are in a nuclear setup, and have no help when I was pregnant with my child, most of my time was spent reading and learning, still, I ended up making mistakes. Don't worry, nobody is born perfect, even mothers. In this book I have shared my journey and experience. I wish my book helps the expecting, and new mothers to some Always remember! You are doing great momma

Dealing With the Baby In Your Bed: Learning to Live With the Adult Baby In Your Relationship Rosalie Bent 2019-08-14 "Dealing with the Baby in Your bed!" is the second expanded and updated edition of the groundbreaking 114,000 word book designed to help couples find a way to integrate the Regressive Adult Baby into their relationship. These and other such questions are all answered in the second edition and expanded version of this book. Offering more than facts and figures, this book lays out a pathway for developing the most unique relationship that any couple can have - the Parent/Child Relationship! Come on the journey of a lifetime and discover how to deal with the baby that is still in your bed!

Different Loving Gloria G. Brame 1996 A breakthrough in sexual literature, this work is a complete, comprehensive user-friendly guide to and tour through the world of alternative sexual lifestyles. While the topics are exotic and erotic, the authors handle each one in a sensitive, thorough, analytical, and fascinating way and manage to explain a secret world to those who might wish to visit.

Consignment from Home Kirsty Roefs 2019-01-13 My purpose in writing this book is to enlighten anyone who yearns to open their own resale store. This book is not only for those new to consignment but also for the many seasoned professionals I've had the pleasure to meet. Our shops bear many similarities, no matter what the contents of our resale inventories may be. My hope is to offer encouragement to those of you who are feeling at odds with the consignment gods.

Systemic Crises of Global Climate Change Phoebe Godfrey 2016-04-14 Sociological literature tends to view the social categories of race, class and gender as distinct and has avoided discussing how multiple intersections inform and contribute to experiences of inequality. This limited focus is clearly inadequate. Systemic Crises of Global Climate Change is an edited volume of 49 international, interdisciplinary contributions addressing global climate change (GCC) by intentionally engaging with the issues of race, gender, and class through an intersectional lens. The volume challenges and inspires readers to foster new theoretical and practical linkages and think beyond the traditional, and oftentimes reductionist, environmental science frame by examining issues within their turbulent political, cultural, and personal landscapes. Varied media and writing styles invite students and educators to reflexively engage different, yet complementary, approaches to GCC analysis and interpretation, mirroring the disparate voices and viewpoints within the field. The second volume, Emergent Possibilities for Sustainability will take a similar approach but will examine the possibilities for solutions, as in the quest for global sustainability. This book is a valuable resource for academics, researchers and both undergraduate and post-graduate students in the areas of Environmental Studies, Climate Change, Gender Studies and International studies as well as those seeking a more intersectional analysis of GCC.

Diaper Discipline and Dominance Rosalie Bent 2017-01-13 This book is intended as a primer for those who wish to implement diaper discipline and dominance into their relationship. You don't need experience or even to be wearing diapers yet. This is a guide for serious people about a serious journey into upending the way we traditionally operate our relationships by involving diapers and changing the way we look at adult behaviour and discipline.

As the Beacon Turns J. M. Coutts 2005 A wonderful, nearly true tale of Emergency Medical Services in the private ambulance sector, beginning in 1975. Filled with real emergencies, antics of comic relief and the story of a young girl who survived it all. A sassy but sweet twist that gives a new perspective of the EMS profession.
