Kaplan's SSAT & ISEE 2016 also includes: \* Six full-length practice tests—three SSATs and three ISEEs—tailored to upper, middle, and lower grade levels \* Detailed answer explanations \* Hundreds of practice questions covering the most frequently tested material \* Intensive, test-specific math and verbal workouts \* Customized review sections for important subject areas, including verbal reasoning, mathematics, reading comprehension, and writing \* Practical tips for every question type \* Proven test-taking strategies to help students score higher

**Dare to Be Yourself** Alan Cohen 1994 In this powerful map to self-discovery, Alan Cohen draws on sources from Buddhism to the Bible, from Gandhi and Einstein to A Course In Miracles, sharing many of his own radiant moments of revelation on the spiritual path. He shows how we can let go of the past, overcome fear, and discover the power of love in our lives. Once we are engaged in the work of truly being ourselves, each challenge becomes an opportunity for growth, each choice a lesson in commitment, each relationship a renewal of God's work. Dare to Be Yourself will dramatically enlighten, empower, and enliven you as you awaken to life and love and the unique gifts that are yours to give the world. "Alan Cohen has a rare and precious quality. He inspires happiness, and the message itself is as pure as his heart." -- Hugh Prather

**Entrepreneurship in the Arab World** El-khazindar Business Research and Case Center 2016-07-06 This collection of case-studies showcases the experiences of ten intriguing entrepreneurial ventures from emerging markets in the Arab world (Egypt, the UAE, Morocco, and Saudi Arabia). Readers will receive an in-depth insight on a variety of localized strategic, managerial, marketing, and innovative approaches and practices, which create unique challenges and opportunities in a region undergoing rapid political, social, and economic transformations. The unique case-studies address different stages within the exciting entrepreneurial cycle, from start-up to growth, sustainability, and international expansion. This casebook is a valuable resource for anyone wanting to know more about launching and sustaining a business within developing Arab economies, as well as being an effective teaching tool for disciplines related to new venture management and entrepreneurship.

**The Elephant Tourism Business** Eric Laws 2020-11-23 Elephant tourism is a growing activity in many countries across Asia and Africa and is popular with tourists from all parts of the world. Elephant tourism has grown rapidly, providing the only viable way for elephants and their owners to survive since the banning of logging. Old logging camps have been developed into sanctuaries for some elephants, but many other camps were established as entertainment centres, resulting in serious welfare issues for the elephants and their mahouts. The profits from elephant tourism in Asia have encouraged African operators to follow a similar business model. This book draws attention to the need for a comprehensive and rigorous focus on local solutions to improve the welfare of captive elephants, their mahouts and local residents, and to enhance tourists' experiences of elephant tourism.

**On the Night Joey Ramone Died** Jim Algie 2018-02-06 Can a fallen rock star rise again? That's the question Lek is forced to ask himself on the night Joey Ramone died. Born on an American military base in Thailand and coming of age during what Francis Ford Coppolla called "the first rock and roll war," the Thai musician has to confront his demons of addiction, his poisonous divorce, his deteriorating relationship with his musician son (named after Dee Dee Ramone) and his new career as a young band producer, as he begins his journey on the rocky road to making a comeback. In the second interconnected novella, "The Genocide Girls and Boys," he meets a younger woman from Norway who is fascinated by extreme metal and the Cambodian genocide. She inspires him to start working on a new album. Smart, pretty and deeply troubled, Edana will push both his creative and self-destructive streaks to the brink, in a tale marinated in drugs and liquor, and set to a soundtrack that melds everyone from Cannibal Corpse to Chet Baker, and the Carpenters to the Clash, the Replacements, Rolling Stones and the Jesus and Mary Chain. The first paperback edition of the book contains a new 130-page nonfiction section of "Rock Writings and Musical Memoirs" that mixes the author's music journalism with tales from his own career as a trailblazer in Canada's indie-rock scene. "When Punk Turned 40" denotes the movement's backstory, while "My Close Encounters with Rock Stars," features Joe Strummer, the Pixies, Pearl Jam, Soundgarden, Mudhoney, the Jesus and Mary Chain, Ice-T, the Gun Club, Teenage Head, Jim Carroll, Leonard Cohen and "Assholes in Headlining Bands I Barely Met Yet Still Despise." The grand finale, "My Last Show and Worst Onstage Disaster," chronicles a near-death experience the author had during his final gig in Berlin.

**Eat the Problem** Kirsha Kaechele 2018-12

**Sara Her Daily Diary** 2019-11-23 PERSONALIZED DIARY FOR WOMEN Do yourself some good, and spend a little time with this daily journal for women. **Reunion Planner** Phyllis A. Hackleman 2009-06 "...Family reunions, class reunions, service reunions ... A-to-Z guide to reunions that leaves nothing to chance..." --back cover.

**Rich Girl Poor Girl** Pam Sower 2021-01-05 Pam Sower needed to bring in extra money for her family but struggled to find a solution that would give her the flexibility that she needed to continue to be an active and present mother. Once she discovered the industry of direct sales, her life changed! No one thought she would succeed, including herself. But, she worked through her doubt and discomfort to create a multimillion-dollar business! Several decades later, Pam has touched hundreds of thousands of people globally. With this book, she shares her wisdom on how you too can go from wanting to earn an extra hundred dollars monthly to millions. In this book, you will learn how to: Find your why Create your dream day Get rid of your internal bully Change your money mindset Get out of your own way Let go of the cursed how And much, much more Rich Girl Poor Girl shows you that no obstacle is too difficult to overcome and that the game of direct sales can be won by anyone, from anywhere.

**Blood and Guts: A Short History of Medicine** Roy Porter 2004-06-17 A brief but engaging history of medicine covers the field in lively fashion, from ancient Indian healing practices that combined diet and meditation to modern pharmaceuticals such as Viagra. Reprint. 10,000 first printing.

**The Distance Between Lost and Found** Kathryn Holmes 2015-02-17 Blending elements of Laurie Halse Anderson's *Speak* and Gary Paulsen's *Hatchet*, this gripping story from Kathryn Holmes was deemed "a page turner" by author Richard Peck and "an intense story of survival" by ALA Booklist in its starred review. Sophomore Hallie Calhoun has just endured the most excruciating six months of her life. Once the rumors about her and the preacher's son, Luke, made their way around school, her friends abandoned her, and as a result, Hallie has completely withdrawn. Now on a hiking trip in the Smoky Mountains with the same people who have relentlessly taunted her, Hallie is pushed to her limit. Then Hallie, outgoing newcomer Rachel, and Jonah-Hallie's former friend-get separated from the rest of the group. As days go by without rescue, their struggle for survival turns deadly. Stranded in the wilderness, the three have no choice but to trust one another in order to stay alive...and for Hallie, that means opening up about what really happened that night with Luke. From the catty atmosphere of high school to the unpredictable terrain of the mountains, this novel is a poignant, raw journey about finding yourself after having been lost for so long.

**Operations Management** Nigel Slack 2019-04-22 Operations management is important, exciting, challenging ... and everywhere you look! Important, because it enables organisations to provide services and products that we all need Exciting, because it is central to constant changes in customer preference, networks of supply and demand, and developments in technology Challenging, because solutions must be financially sound, resource-efficient, as well as environmentally and socially responsible And everywhere, because in our daily lives, whether at work or at home, we all experience and manage processes and operations. **AW2 Reda Amalou** 2014

**The Rise of Technosocialism** Brett King 2021-10-19 Statistics, analysis and commentary from top thinkers on emerging behaviour explain why industries and economies are forced to reinvent themselves.

**Routledge Handbook of Hospitality Marketing** Dogan Gursoy 2017-10-02 This handbook analyzes the main issues in the field of hospitality marketing by focusing on past, present and future challenges and trends from a multidisciplinary global perspective. The book uniquely combines both theoretical and practical approaches in debating some of the most important marketing issues faced by the hospitality industry. Parts I and II define and examine the main hospitality marketing concepts and methodologies. Part III offers a comprehensive review of the development of hospitality marketing over the years. The remaining parts (IV-IX) address key cutting-edge marketing issues such as innovation in hospitality, sustainability, social media, peer-to-peer applications, Web 3.0 etc. in a wide variety of hospitality settings. In addition, this book provides a platform for debate and critical evaluation that enables the reader to learn from the industry's past mistakes as well as future opportunities. The handbook is international in its constitution as it attempts to examine marketing issues, challenges and trends globally, drawing on the knowledge of experts from around the world. Because of the nature of hospitality, which often makes it inseparable from other industries such as tourism, events, sports and even retail, the book has a multidisciplinary approach that will appeal to these disciplines as well as others including management, human resources, technology, consumer behavior and anthropology.

**Catherine Lim Collection** Jim Algie 2011-04-15 Bizarre Thailand takes readers off the well-rutted road of tourist hotspots into the darkest and sexiest hinterlands. Welcome to a twilight zone where travellers become soldiers and cowboys, a black magician courts politicians and film stars, sacred tortoises mate on the streets of a small town, and Fertility Goddesses are wooed with massive phalluses. In this strange land, nothing is what it seems: a prison becomes a tourist attraction, a 20-storey robot is a building, a man becomes a beauty queen, a Buddhist temple turns into hell on earth, a loving wife is immortalized as the most famous and ferocious of all phantoms, and a serial killer's corpse is reincarnated as a museum exhibit. Bizarre Thailand takes an irreverent look at how the profound, profane and frankly quite odd intertwine with the rhythms and flows of everyday Thai life, paying homage to the quintessential culture of one of Southeast Asia's most captivating destinations.

**Fighting Globesity** Philip Mills 2007 One of the most significant books to have been written by a New Zealand business leader. Philip Mills, the Ernst and Young Entrepreneur of the Year and a global exporter of fitness programmes to 71 countries, has spent the last year forming his views on health and fitness and sustainability into an engaging and challenging book, *Fighting Globesity*. All New Zealanders should read it. As Philip jokes, "What would a couple of gym bunnies know about climate change and sustainability?" As it turns out, rather a lot. Phillip has done wide reading and research in this area over the last few years. From that he has distilled a

carefully argued message: we need to get fit and stay fit, we need to consume fewer resources, we need to urgently engage with health and climate change issues - and we can make a difference. In this he may well be a step ahead of many other business thinkers. Accompanied by exercise and training programmes, nutritional information, recipes and more, FIGHTING GLOBESITY is a perfect health, fitness and philosophy package. FIGHTING GLOBESITY - A Practical Guide To Personal Health And Global Sustainability combines the Mills's experience to create a cutting-edge lifestyle prescription which will be sustainable for both the individual and the planet.

**The God Equation** Michio Kaku 2021-04-06 #1 NEW YORK TIMES BEST SELLER • The epic story of the greatest quest in all of science—the holy grail of physics that would explain the creation of the universe—from renowned theoretical physicist and author of *The Future of the Mind* and *The Future of Humanity* when Newton discovered the law of gravity, he unified the rules governing the heavens and the Earth. Since then, physicists have been placing new forces into ever-grander theories. But perhaps the ultimate challenge is achieving a monumental synthesis of the two remaining theories—relativity and the quantum theory. This would be the crowning achievement of science, a profound merging of all the forces of nature into one beautiful, magnificent equation to unlock the deepest mysteries in science: What happened before the Big Bang? What lies on the other side of a black hole? Are there other universes and dimensions? Is time travel possible? Why are we here? Kaku also explains the intense controversy swirling around this theory, with Nobel laureates taking opposite sides on this vital question. It is a captivating, gripping story; what's at stake is nothing less than our conception of the universe. Written with Kaku's trademark enthusiasm and clarity, this epic and engaging journey is the story of *The God Equation*.

**Isma'ili Modern** Jonah Steinberg 2011 The Isma'ili Muslims, a major sect of Shi'i Islam, form a community that is intriguing in its deterritorialized social organization. Informed by the richness of Isma'ili history, theories of transnationalism and globalization, and firsthand ethnographic fieldwork, *Isma'ili Modern* is a rich and detailed study of the Isma'ili community. **Hospitality Marketing** David Bowie 2016-10-04 This introductory textbook shows you how to apply the principles of marketing within the hospitality industry. Written specifically for students taking marketing modules within a hospitality course, it contains examples and case studies that show how ideas and concepts can be successfully applied to a real-life work situation. It emphasizes topical issues such as sustainable marketing, corporate social responsibility and relationship marketing. It also describes the impact that the internet has had on both marketing and hospitality, using a variety of tools including a wide range of internet learning activities. This 3rd Edition has been updated to include: Coverage of hot topics such as use of technology and social media, power of the consumer and effect on decision making, innovations in product design and packaging, ethical marketing and sustainability marketing Updated online resources including: power point slides, test bank of questions, web links and additional case studies New and updated international case studies looking at a broad range of hospitality settings such as restaurants, cafes and hotels New discussion questions to consolidate student learning at the end of each chapter.

**Quiet Time Program** 2020-01-07 "Therefore do not be like them. For your Father knows the things you have need of before you ask Him." Matt 6:8 It is with joy and gratitude to God that St. Mark's Coptic Orthodox Church, Sydney, presents the latest instalment in its 'Quiet Time' series. Year after year, there are countless experiences of youth whose lives have been transformed by spending some moments in solitude with God, contemplating on His word. One of the beautiful things about spending quiet time with the Lord, is that it is a dynamic, ever-changing experience. In view of this, the structure of the Quiet Time readings this year has been changed. As opposed to previous years - where there was a daily reading program starting on January 1st - the readings will be organised into one or two week blocks. Each block will revolve around a particular theme, and each reading will be accompanied by a meaningful contemplation. It is our prayer that once again, these readings may speak directly into our hearts in this coming year. May the Lord provide the exact messages that we need to hear in this coming year, even before we ask Him.

**The Magical Writing Grimoire** Lisa Marie Basile 2020-04-07 Part guided journaling practice, part interactive magical grimoire, *The Magical Writing Grimoire* shows you how to incorporate writing as a magical tool to create healing and amplify spell-casting. Whenever and wherever you are, word magic is with you. During times of chaos or pain, or simply when you need a cosmic boost, writing can help. In fact, healers, therapists, and magical practitioners have long incorporated writing in their practices. From letter writing for creating closure to dream diaries, writing is a powerful process for moving your dreams into manifestation. *The Magical Writing Grimoire* approaches writing as a self-actualizing, intentional, and healing act. You will learn how to combine writing with ritual and magic for self-discovery, clarifying intentions, creating and making things happen, and manifestation. You will also be guided in how to create a personal grimoire—a magical book of self-rituals, spells, and intentions. Each chapter contains writing prompts that also incorporate magical ritual and tools including working with crystals, spell incantation, or candle alchemy. Other rituals and prompts may be set up for certain moon phases or ask you to bury or burn a piece of paper. Equal parts practical and inspiring, *The Magical Writing Grimoire* shows you how to wield your word as your wand.

**Anyone Who Thinks There's Safety in Numbers Hasn't Looked at the Stock Market Pages** Lambda Publishing 2020-11-08 This notebook features the quote "Anyone who thinks there's safety in numbers hasn't looked at the stock market pages" on the cover, it's perfect for anyone to record ideas, or to use for writing and note-taking. It can be used as a notebook, journal or composition book. Simple and elegant. 108 pages, high quality cover and 6 x 9" inches in size.

**Powermask** Walter Van Beirendonck 2017 Since the nineties, Walter Van Beirendonck has been fascinated with masks. They change your identity, invoke a certain atmosphere and have an instant impact. Many artists, among whom are André Breton, Pablo Picasso and even Brueghel, have been influenced by them. *Power Mask - The Power of Masks* elaborates on the many different aspects of masks: the link between Western art and African masks, the supernatural aspect, rituals about masks, masks in fashion or as a fetish... This book accompanies an expo in the Wereldmuseum (World Museum) Rotterdam, from 1 September 2017 until 7 January 2018. AUTHOR: Walter Van Beirendonck has launched clothing lines of his own making since 1983. His creations are characterised by bright, exceptional colour combinations and a strong graphical influence. He supervises and teaches at the Antwerp Fashion Academy. SELLING POINTS: \* Walter Van Beirendonck's book on all the different aspects of 'masks' includes work by James Ensor, Paul McCarthy, Keith Haring, Louise Bourgeois, Emil Nolde, Axel Hoedt, Leigh Bower, Man Ray, Pablo Picasso, André Breton... \* With texts by Valerie Steele, Kaat Debo, and Chris Dercon \* Elaborates on the many different aspects of masks: from the link between Western art and African masks, to their supernatural aspect, rituals about masks, masks in fashion, and even masks as a fetish 260 colour, 40 b/w

**My Only Story** Deon Wiggert 2020-10-02 In November 2019, Deon Wiggert's sensational weekly podcasts held South Africa in thrall as he hunted down the paedophile who raped him as a schoolboy. Now, in *My Only Story*, he completes his exposé of Willem Breytenbach, the once brilliant teacher and later media luminary who led a predatory life. Deon's mission to expose his abuser takes him from Breytenbach's high-school years at an agricultural school in South Africa's hinterland to the famous Grey College in Bloemfontein and the media titan Naspers. But his quest reveals so much more. As he traces systemic failures through schools great and small, he uncovers a culture of complicity that presents a clear and horrid danger to South Africa's children. While investigating men who prey on boys and girls, Deon devises a model that anyone can use to identify paedophiles in their midst. In his own words: 'It's pleasant to pretend that men don't rape children, but once you accept that they do, it becomes surprisingly easy to recognise their trickery. Once you match a universal pattern to a specific man's profile, you can spot the deceit before it is too late.' *My Only Story* is a riveting, thoughtful and often irreverent account of one man's determination to overcome childhood trauma; to help others face their demons; and to extract some beauty from the boyhood he lost.

**Butterfly Effect** Andy Andrews 2011-06-01 Speaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a hundred years ago, and the ripple effect it's had on us individually, and nationwide, today. It's a story that will inspire courage and wisdom in the decisions we make, as well as affect the way we treat others through our lifetime. Andrews speaks over 100 times a year, and *The Butterfly Effect* is his #1 most requested story.

**Homeless to Billionaire** Andres Pira 2019-05-07 Create Business Legacy Adventure In *Homeless to Billionaire*, Andres Pira presents eighteen principles for attracting wealth, creating opportunity, and celebrating self-discovery. Inspired by his own massive life changes, Pira's details his business journey from telemarketer to one of Thailand's best-known billionaires. Using his mentors like Bryan Tracy, Jack Canfield and Bob Proctor, Pira puts proven knowledge into action, innovating along the way, using his own employees and clients; through failure and success, the 18 Principles are forged. Uncanny wisdom, from this millennial adventurer turned businessman, is blended with proven research and case studies into powerful lessons. "Do whatever it is you want to do in life. Be whomever you want to be. Go wherever you want to go. Have whatever it is you want to have right now," urges Pira. It's part autobiography, part success workbook, and 100% life lessons. From making employees jump out of airplanes, to summiting mountain tops, Pira details how to move from fear to inspiration, competitiveness to domination, and student to mentor in business. His call to action is for readers to live their legacy every day. "I really enjoyed *Homeless to Billionaire*. It's a valuable work on wealth-creation that also reads like a thrilling adventure story. Take the time to visit the world of Andres Pira; you'll be richly rewarded for it." Gay Hendricks, Ph.D. Author of *The Big Leap* [www.hendricks.com](http://www.hendricks.com) "This book shares an inspiring, miraculous story that's a must read! It's packed full of Golden Nuggets and proven wealth principles to help you create your own miracle!" Debbie Allen International Speaker & Bestselling Author of *The Highly Paid Expert and Success Is Easy* "People who want proof that your mind can create reality need to read this inspiring book. Young Andres went from homeless to billionaire. His 18 principles are brilliant. They work!" Bob Proctor

**Retronesia** Tariq Khalil 2017-12 Retronesia: The Years of Building Dangerously is the first must-have guide to Indonesia's most creative architectural period. Be inspired by the beauty and verve of 1950s and 60s Indonesia when professional architects were a rarity, but the talent pool was overflowing with adventurers. At a time when retro style revival has never been more popular, *Retronesia* cuts through cultural amnesia to celebrate virtually unknown treasures of mid-century Modernism across the archipelago. This style atlas - systematically examines the cultural and political forces shaping design during 1950 to mid-1960s Indonesia - providing readers with over 50 curated destinations. Going beyond a travel guide, *Retronesia* has crafted oral histories into bite sized biographies to provide compelling accounts of public life and ambition. Carefully photographed, surviving examples cover the world of work, rest and play from classic public housing, futurist state institutions, once luxury townhouses and villas to the faded glamour of volcanic hill station retreats. *Retronesia* is an unmatched resource for anyone wanting to see and do more with their travels in Indonesia.

**Fascial Dysfunction** Leon Chaitow 2014-08 Fascial dysfunction is now recognized as one of the main underlying causes of musculoskeletal pain leading to impaired and reduced mobility. These are the symptoms which confront all practitioners of manual therapy in their everyday practice. *Fascial Dysfunction - Manual Therapy Approaches* aims to assess more precisely the dysfunction of their clients and its cause and to increase practitioner awareness of the various techniques which may help them in their attempts to alleviate their clients' problems. --

**International Spa Management** Sarah Rawlinson 2017-02-28 a sound and though guide for all future spa managers looking at all aspects on the successful running of a spa facility. Divided into four parts it discusses the following: • The spa industry • The spa consumer • The business of spas • Future directions

**Understanding the Global Spa Industry** Gerry Bodeker 2010-08-20 The spa industry is currently the fastest growing segment of the hospitality and leisure industry with revenues exceeding those from amusement parks, box office receipts, vacation ownership gross sales and ski resort ticket sales. *Understanding the Global Spa Industry* is the first book to examine management practices in this industry and offers a groundbreaking and comprehensive approach to global spa management, covering everything from the beginnings of the industry through to contemporary management and social and ethical issues. With contributions from internationally renowned business leaders, practitioners and academics, this unique book is packed with case studies, examples and advice for all those working in, and studying, the international spa industry. *Understanding the Global Spa Industry* brings an analytic lens to the spa movement, examining past, current and future trends and the potential for shaping wellness and health services in the 21st century.

**Mr Five Per Cent** Jonathan Conlin 2019-10-10 Winner of the BAC Wadsworth Prize for Business History 2020 When Calouste Gulbenkian died in 1955 at the age of 86, he was the richest man in the world, known as 'Mr Five Per Cent' for his personal share of Middle East oil. The son of a wealthy Armenian merchant in Istanbul, for half a century he brokered top-level oil deals, concealing his mysterious web of business interests and contacts within a labyrinth of Asian and European cartels, and convincing governments and oil barons alike of his impartiality as an 'honest broker'. Today his name is known principally through the Gulbenkian Foundation in Lisbon, to which his spectacular art collection and most of his vast wealth were bequeathed. Gulbenkian's private life was as labyrinthine as his business dealings. He insisted on the highest 'moral values', yet ruthlessly used his wife's charm as a hostess to further his career, and demanded complete obedience from his family, whom he monitored obsessively. As a young man he lived a champagne lifestyle, escorting actresses and showgirls, and in later life - on doctor's orders - he slept with a succession of discreetly provided young women. Meanwhile he built up a superb art collection which included Rembrandts and other treasures sold to him by Stalin from the Hermitage Museum. Published to mark the 150th anniversary of his birth, *Mr Five Per Cent* reveals Gulbenkian's complex and many-sided existence. Written with full access to the Gulbenkian Foundation's archives, this is the fascinating story of the man who more than anyone else helped shape the modern oil industry.

**The White Lions of Timbavati** Chris McBride 2014 The author was a wildlife manager at Timbavati, a Transvaal game reserve. He made a significant study of white lions, a unique and endangered species.

**Change Your Smile** Ronald E. Goldstein 1988 In this second edition of a work on improving the appearance of patients' teeth, there are new sections on bleaching, porcelain laminates, porcelain inlays/onlays, resin-bonded bridges and more.

**Medical Hydrology** Sidney Licht 1963

**The Life-Changing Power of Sophrology** Dominique Antiglio 2019-03-26 In a world that can sometimes feel overwhelming, this comprehensive guide to the practice of Sophrology will help you cultivate resilience, confidence, and serenity in your daily life. Sophrology is a dynamic relaxation, stress-management, and personal-development system already popular in Europe, growing worldwide, and used successfully by people from all walks of life. The method combines Western science and Eastern wisdom using relaxation, breathing, body awareness, and visualization. In ten- to fifteen-minute practices, you will learn to: • manage stress and anxiety • beat insomnia • overcome fear of failure • support your needs and realize your goals • prepare for major life events (childbirth, exams, sports competitions, etc.) • regain calm and balance • live up to your full potential • enjoy your version of happiness Includes downloadable guided practices

**When There Were Birds** Roy Adkins 2021-11-11 Birds are a joy and solace in troubled times, as well as a reminder of past experiences and a symbol of hope for the future. For centuries, they were also seen as a source of food, feathers and even fuel, and being so numerous, many were persecuted as pests. When There Were Birds is a social history of Britain that charts the complex connections between people and birds, set against a background of changes in the landscape and evolving tastes, beliefs and behaviour. Birds were once key elements of the nation's history, traditions and sports, and this gave rise to a rich legacy of literature, language and myths. No other group of animals has had such a complex and lengthy relationship with humankind. Birds have been kept in cages as pets, taught to speak and displayed as trophies. More practically, they have been used to tell the time, predict the weather, foretell marriages, provide unlikely cures for ailments, convey messages and warn of poisonous gases. Although very familiar, birds have often seemed strange, sinister and alarming. With their ability to fly, they bridged the gap between the earth and the heavens, and superstitions were rife because they were presumed to be linked to the supernatural. When There Were Birds draws together many disparate, forgotten strands to present a story that is an intriguing and unexpectedly significant part of our heritage.
