Berlin Diary William L. Shirer 2011-10-23 The author of the international bestseller *The Rise and Fall of the Third Reich* offers a personal account of life in Nazi Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, *The Rise and Fall of the Third Reich*, William L. Shirer was a journalist stationed in Berlin.

During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. Berlin Diary is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's Berlin Diary is an essential historical record that illuminates one of the darkest periods in human civilization.

Germany as a Culture of Remembrance Alon Confino 2017-03-01 An acknowledged authority on German history and memory, Alon Confino presents in this volume an original critique of the relations between nationhood, memory, and history, applied to the specific case of Germany. In ten essays (three never before published and one published only in German), Confino offers a distinct view of German nationhood in particular and of nationhood in general as a product of collective negotiation and exchange between the many memories that exist in the nation. The first group of essays centers on the period from 1871 to 1990 and explores how Germans used conceptions of the local, or *Heimat*, to identify what it meant to be German in a century of ideological upheavals. The second group of essays comprehensively critiques and analyzes the ways laypersons and scholars use the notion of memory as a tool to understand the past. Arguing that the case of Germany contains particular characteristics with broader implications for the way historians practice their trade, *Germany as a Culture of Remembrance* examines the limits and possibilities of writing history.

European Leaders Reese T. Moore 2001 This up-to-date bibliography gathers materials on ten leaders from 20th century Europe. Access is provided via subject and author indexes. Contents: Charles DeGaulle; Winston Churchill; Adolf Hitler; Benito Mussolini; General Francisco Franco; Adenauer Konrad; Margaret Thatcher; Helmut Kohl; Francois Mitterand; Josip Broz Tito.

Reconceptualising Conversion Zeba A. Crook 2004-01-01 Der Autor nimmt die Diskussion der Konversion in der Antike neu auf und hinterfragt die bisher vorausgesetzte psychologische Kontinuität zwischen antikem und modernem Menschen. Im Unterschied dazu bietet er ein Modell, das sich an den Denkvorsetzungen der Antike orientiert. In diesem Zusammenhang wird auch die "Bekehrung" des Paulus neu gedeutet.

Hitler's Shadow Richard Breitman 2011-04-01 This report is based on findings from newly-declassified decades-old Army and CIA records released under the Nazi War Crimes Disclosure Act of 1998. These records were processed and reviewed by the National Archives-led Nazi War Crimes and Japanese Imperial Government Records Interagency Working Group. The report highlights materials opened under the Act, in addition to records that were previously opened but had not been mined by historians and researchers, including records from the Office of Strategic Services (a CIA predecessor), dossiers of the Army Staff's Intelligence Records of the Investigative Records Repository, State Dept. records, and files of the Navy Judge Advocate General. This is a print on demand report.
