Uncharted Destiny Keely Keith 2019-04-21 Bailey Colburn is safe in the Land, but her father figure, Professor Tim, never made it to Good Springs. When Bailey discovers Tim is lost in the Land's dangerous mountain terrain and out of his life-saving medication, she sets out to rescue him. Even with the help of intriguing native Revel Roberts, Bailey faces an impossible journey to save Tim. The mountains are shrouded in dark folklore and full of deadly surprises. Revel Roberts never stays in one place too long. No matter where he travels in the Land, he avoids the Inn at Falls Creek, his boyhood home and the business he will inherit. But when fearless newcomer Bailey Colburn needs Revel's help to find her friend, he joins the mission and is forced to return to the place he'd rather forget. Bailey and Revel's friendship strengthens as they need each other in ways neither of them imagined. But nothing can prepare them for what awaits in the Land's treacherous mountains. The Prince Niccolò Machiavelli 2020-09-08 "The Prince" is a political treatise by Machiavelli that is not considered to be representative of the work published during his lifetime, but is the most remembered. The theories in this book describe methods that an aspiring prince can use to acquire the throne, or an existing prince can use to maintain his reign. These theories include defense and military, perceived reputation, generosity, cruelty versus mercy, gaining honors, fortune and a number of other discourses. It is customary for such as seek a Prince's favour, to present themselves before him with those things of theirs which they themselves most value, or in which they perceive him chiefly to delight. Accordingly, we often see horses, armour, cloth of gold, precious stones, and the like costly gifts, offered to Princes as worthy of their greatness.

Celtic Fire Liz Gavin 2017-01-25 When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

Rescue Matters Charmaine J. English 2018-12-13 Rescue Matters is based on true events that happened in Rolette County, North Dakota from 2013 to 2018, a five year period of time where blood was spilled and sweat and tears formed rivers. One man rallied a small team who would transform a landscape known for death and despair into hope and salvation. By saving nearly seventy starving and unwanted animals each month, Keith Benning and his team have changed the world for thousands of dogs and tens of thousands more to come. Through a series of riveting and inspiring real-life rescue stories, Rescue Matters tells a larger tale of tragedy-meets-redemption. In a land forgotten, with an insurmountable problem, a spark of hope ignites a fire. One man's will to persevere against all odds proves that it doesn't take a government or law to change the world. It only takes a few people trying to make a difference to start a revolution.
