I Have Some Good News Preston Condra 2017-03-23 The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows Christianity's source book to speak for itself.

The Beginning in Black and White Nicole DiCenzo 2015-12-08 The Beginning in Black and White is a 20 day adventure into the beginning of our world: from creation, to the flood, to the tower of Babel, this study will dive in deep to explore topics that trouble many Christians. Millions of years or a young earth? Did Noah really take all of those animals on the ark? Was the flood worldwide or was it local? What about the caveman? Dinosaurs? How do all of these things fit into scripture? Does the creationist really have a leg to stand on based on all the evidence we read about in our popular magazines? If any of these questions have ever crossed your mind then this is the study for you. In these pages you will find answers, and the answers just may surprise you. But we won't start at the creation account; we will begin our journey many, many years after the story of Adam and Eve. We will begin with the days of Noah. It will soon become apparent, that if you discount the story of Noah's Ark, your outlook of the world surrounding you may be way off track, because as scripture says, in the last days, many will deny the Flood.

Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink 2016-05-18 This 16 Week Study Guide is exceptionally practical and life-transforming. It is taken from the main book *Biblical Discipleship: Essential Components for*

Attaining Spiritual Maturity. However, it is a "stand-alone" book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!

Biblically Sound Evan Lenow 2014-08-09 Studying doctrine for the Christian often feels like watching a construction crew build a foundation. There seems to be a great amount of activity, but the results don't appear visible. Just like the foundation is essential for the stability of a building, studying theology is crucial to the long-term stability of the believer. The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound. At times this will feel like the difficult work of laying an unseen foundation for a building. At other times, however, it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith. During the course of this study, we will consider the questions: Why study theology? Who is God? Who am I? What is the church? Where do I go when I die? Why do other people believe differently?

Most Treasured of All Gayle L. Teague 2015-09-23 I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray

they read what I have left them.

Family Seasons Claudio Consuegra 2019

The Holy Sabbath Arthur Pink 2014-08-11 Keeping the Lord's Day holy is obeying the 4th of the 10 commandments, which are commandments and not suggestions. And as Jesus states they are here until Heaven and Earth pass away (Matt 5:17-20). The church from the Book of Acts time gathered on the first day of the week, the day Jesus was resurrected, calling it the "Lord's Day" and set it aside as their sabbath - 1 Cor 16:1-2, Acts 20:7 & Rev 1:9, keeping it holy and wholly for God in worship, giving, Bible study, church, prayer, evangelising (and not for worldly things, sports, restaurants, shopping, TV etc). This is a most neglected command today, but it was not neglected in church history. Many of the greatest revivalists and reformers in Church history preached and kept the Lord's Day holy such as: John Wesley, DL Moody, Charles Spurgeon, David Livingstone, William Wilberforce, Hudson Taylor, Charles Finney, William Booth, George Whitfield and many others who have massively impacted the church. In fact during times of revival it is highly significant that revivals were always accompanied by a renewal and revival of keeping the sabbath day (the Lord's day) as well. Exodus 20:8-11 (The 4th Commandment) "Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy."

Sister to Sister Uduak Afangideh 2014-02-15 The Bible is full of stories of heroes and heroines, but the fact that we know how the stories end makes them appear more like fables than real-life stories. Living among us today, however, are Christian ladies who have faced many trials and tribulations. Like Bible heroines, they remain standing-strengthened in their faith, examples to all of us. The struggles these women have faced and the victories they have won are highlighted in this inspiring book in an attempt to encourage other Christian ladies in their daily walk with the Lord. This book is intended to be used as a Bible study, either for personal study or for group discussions. It is further given to help Christian women in their journey of spiritual growth and development. Review questions and practical activities, nestled within each chapter, are designed to give additional insights, provoke thought, and encourage application of the materials presented. Women love stories, especially stories with which they can identify. Some of the women in these stories are from among us and some are from other countries across the seas. These stories will grab you, encourage you, and, above all, underscore the

fact that we all live by the choices we make.

Colossians: An Introduction and Study Guide Janice Capel Anderson 2018-12-27 This guide introduces readers to key issues in the interpretation and reception of Colossians. Anderson first explores the issue of Pauline authorship. She challenges readers to reflect on why the question of authorship has dominated scholarship as well as why and how interpreters create "stories" about the letter. Second, Anderson examines rhetoric and context. She asks readers to consider how the letter constructs and seeks to persuade its addressees past and present. She surveys several pictures of the first audience and "opponents." Finally, Anderson delves into the functions of the Colossian household code, its reception, and the ethics of interpretation.

A Life Beyond Amazing Study Guide Dr. David Jeremiah 2017-10-03 Why were people in the first century so drawn to Jesus of Nazareth? His powerful miracles and challenging teachings, for sure. But it was also His character. Humanity had never witnessed someone who is loving, joyful, peaceful, patient, compassionate, generous, faithful, humble, and self-controlled all the time. It was as if God Himself had become a human being to demonstrate the life that is possible—a life beyond amazing. The traits that Jesus demonstrated in His life were traits empowered by the Spirit of God who filled Him. When Jesus returned to heaven, He sent His Spirit to indwell all His true followers so they could display the same character in their lives—not for their benefit alone but to show the world the kind of life God intended us to enjoy. The apostle Paul called these traits "the fruit of the Spirit" (Galatians 5:22-23). In this *A Life Beyond Amazing Study Guide*, Dr. David Jeremiah describes the divinely empowered life that is possible for followers of Christ. Between introductory and concluding messages,

Dr. Jeremiah explores each of the nine traits of a Spirit-filled life as outlined by the apostle Paul—traits that produce a life beyond amazing. Each lesson also includes: An outline of the main subjects and Scriptures covered during the lesson An overview of Dr. Jeremiah's teaching on the topic being studied Application questions to help individuals and small groups delve into the Bible A Did You Know? section that adds a point of interest to the lesson

Sabbath as Resistance, New Edition with Study Guide Walter Brueggemann 2017-10-13 In this new edition that includes a study guide, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Brueggemann calls out our 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Brueggemann shows readers how keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Perfect for groups or self-reflection, *Sabbath as Resistance* offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.

Biblical Studies A to Z, Book 5 Dan R. Hubbell 2016-10-10 It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme 2018-08-27 Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of America Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination

of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor, Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book by themselves, but they all boil down to one thing: a lack of focus on the part of the church community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in the Lord.

Adventist Interchurch Relations Stefan Höschele 2022-09-05 This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations - a 20-million member body whose ecumenical stance has so far been underresearched. For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond, the study develops a new academic approach to ecumenism based on Relational Models Theory, a comprehensive social science paradigm of interpreting human relationships. The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics - such as divergent concepts of unity, difficulties in recognition processes, and the permanence of denominationalism.
