**Our Dogs, Ourselves -- Young Readers Edition** Alexandra Horowitz 2020-08-04 This middle grade adaptation of *Our Dogs, Ourselves* is an eye-opening, entertaining, and beautifully illustrated look about humans' complicated and sometimes contradictory relationship with man's best friend by New York Times bestselling author of *Inside of a Dog—Young Readers Edition*. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. Even while we see ourselves in dogs, we also treat them in surprising ways. On the one hand, we let them into our beds, we give them meaningful names, make them members of our family, and buy them the best food, toys, accessories, clothes, and more. But we also shape our dogs into something they aren't meant to be. Purebreeding dogs has led to many unhealthy pups. Many dogs have no homes, or live out their life in shelters. How is it possible we can treat the same species in these two totally different ways? In *Our Dogs, Ourselves* Young Readers Edition, bestselling author of *Inside of a Dog*, Alexandra Horowitz reveals the odd, surprising, and contradictory ways we live with dogs.

Maurice and Laura went to lunch together, and also bought ice cream cones and played video games. It was the beginning of an unlikely and magical friendship that changed both of their lives forever. *An Invisible Thread* is the true story of the bond between an eleven-year-old boy and a busy sales executive; a heartwarming journey of hope, kindness, adventure, and love—and the power of fate to help us find our way.

**The Tender Bar** J. R. Moehringer 2005-09-01 Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liars' Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hummily audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Berra sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the siring ecology of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times* Book Review, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* A *New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestselling Booksense Pick Borders New Voices Finalist Winner of the Books for a Better Life First Book Award

**Our Dogs, Ourselves** Alexandra Horowitz 2019-09-03 From Alexandra Horowitz, #1 New York Times bestselling author of *Inside of a Dog*, an eye-opening, informative, and wholly entertaining examination and celebration of the human-canine relationship for the curious dog owner and science-lover alike. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. We buy them sweaters, toys, shoes; we are concerned with their social lives, their food, and their health. The story of humans and dogs is thousands of years old but is far from understood. In *Our Dogs, Ourselves*, Alexandra Horowitz explores all aspects of this unique and complex interspecies pairing. As Horowitz considers the current culture of dogdom, she reveals the odd, surprising, and contradictory ways we live with dogs. We celebrate their individuality but breed them for sameness. Despite our deep emotional relationships with dogs, legally they are property to be bought, sold, abandoned, or euthanized as we wish. Even the way we speak to our dogs is at once perplexing and delightful. In thirteen thoughtful and charming chapters, *Our Dogs, Ourselves* affirms our profound affection for this most charismatic of animals—and opens our eyes to the companions at our sides as never before.

**Authentic** Paul Van Doren 2021-04-27 In the tradition of bestsellers such as *Shoedog*, *Authentic* is a surprisingly candid, compelling memoir by a high school dropout who went on to establish one of the world's most iconic brands Paul Van Doren is the founder of Vans—the shoe company beloved by skateboarders, creatives, and fans everywhere for its laid-back, colorful, SoCal vibe, and famous for its people-oriented company culture. How did Van Doren, who started as a 16-year-old "service boy" at a local rubber factory, establish a family shoe business that evolved into a globally recognized brand with annual revenue of more than four billion dollars? A blue-collar kid with no higher education and zero retail experience, Van Doren leveraged a knack for numbers, a genius for efficiency, and the know-how to make a great canvas tennis shoe into an all-American success story. In 1966, when the first House of Vans store opened, there were no stand-alone retail stores just for sneakers. Paul's bold experiments in product design, distribution, and marketing (Why not sell custom shoes? Single shoes?), aided by legions of fans—skateboarders, surfers, even Sean Penn wearing Vans' famous checkerboard slip on shoe in the film *Fast Times at Ridgemont High*—made Vans a household name. But there was also back-breaking work, a shocking bankruptcy, family turmoil, and a profound shift in how customers think about athletic shoes. Authentic details Van Doren's personal life, but also hard-won business lessons learned over six turbulent decades in the shoe trade: the importance of deep-rooted values, of improvisation, of vision (and revision), and above all, of valuing people over profits. Refreshingly forthright and totally entertaining, *Authentic* is a business memoir by an American original.

**It's How We Play the Game** Ed Stack 2020-05-05 Porchlight's Best Leadership & Strategy Book of The Year An inspiring memoir from the CEO of DICK'S Sporting Goods that is "not only entertaining but will be of great value to any entrepreneur" (Phil Knight, *New York Times* bestselling author of *Shoe Dog*), this book shows how a trailblazing business was created by giving back to the community and by taking principled, and sometimes controversial, stands—including against the type of weapons that are too often used in mass shootings and other tragedies. It's How We Play the Game tells the story of a complicated founder and an ambitious son—one who transformed a business by making it about more than business, conceiving it as a force for good in the communities it serves. In 1948, Ed Stack's father started Dick's Bait and Tackle in Binghamton, New York. Ed Stack bought the business from his father in 1984, and grew it into the largest sporting goods retailer in the country, with 800 locations and close to \$9 billion in sales. The transformation Ed wrought wasn't easy; economic headwinds nearly toppled the chain twice. But DICK'S support for embattled youth sports programs earned the stores surprising loyalty, and the company won even more attention when, in the wake of yet another school shooting—at Marjory Stoneman Douglas High School in Parkland, Florida—it chose to become the first major retailer to pull all semi-automatic weapons from its shelves, raise the age of gun purchase to twenty-one, and, most strikingly, destroy the assault-style-type rifles then in its inventory. With vital lessons for anyone running a business and eye-opening reflections about what a company owes the people it serves, *It's How We Play the Game* is "a compelling narrative... In a genre that can frequently be staid, Mr. Stack's corporate biography is deeply personal... [Features] surprising openness [and] interesting and humorous anecdotes" (*Pittsburgh Post-Gazette*).

Phil Knight encountered risks and setbacks along the way, but always followed his own advice. Just keep going. Don't stop. Whatever comes up, don't stop. Filled with wisdom, humanity, humor, and heart, the young readers edition of the bestselling *Shoe Dog* is a story of determination that inspires all who read it. Bill Gates named Shoe Dog one of his five favorite books of 2016 and called it “an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do.” Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

Club*, *Nylon*, *The Week*, *The Rumpus*, *The Millions*, *The Guardian*, *Publishers Weekly*, and more. “A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.”—Ron Charles, *The Washington Post* Poet Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We're Briefly Gorgeous is a letter from a son to a mother who cannot read. Written from the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born—a history whose epicenter is rooted in Vietnam—and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Once upon a time, brick-and-mortar video stores were king. Late fees were ubiquitous, video-streaming unheard of, and widespread DVD adoption seemed about as imminent as flying cars. Indeed, these were the widely accepted laws of the land in 1997, when Marc Randolph had an idea. It was a simple thought—leveraging the internet to rent movies—and was just one of many more and far worse proposals, like personalized baseball bats and a shampoo delivery service, that Randolph would pitch to his business partner, Reed Hastings, on their commute to work each morning. But Hastings was intrigued, and the pair—with Hastings as the primary investor and Randolph as the CEO—founded a company. Now with over 150 million subscribers, Netflix's triumph feels inevitable, but the twenty-first century's most disruptive start-up began with few believers and calamity at every turn. From having to pitch his own mother on being an early investor, to the motel conference room that served as a first office, to server crashes on launch day, to the now-infamous meeting when Netflix brass pitched Blockbuster to acquire them, Marc Randolph's transformational journey exemplifies how anyone with grit, gut instincts, and determination can change the world—even with an idea that many think will never work. What emerges, though, isn't just the inside story of one of the world's most iconic companies. Full of counter-intuitive concepts and written in binge-worthy prose, it answers some of our most fundamental questions about taking that leap of faith in business or in life: How do you begin? How do you weather disappointment and failure? How do you deal with success? What even is success? From idea generation to team building to knowing when it's time to let go, *That Will Never Work* is not only the ultimate follow-your-dreams parable, but also one of the most dramatic and insightful entrepreneurial stories of our time.
