JACK She was supposed to be just a means to an end. A tool for the job - use her and then toss her aside. But this one-time relationship is turning into something more. Something I never expected. What could be better than the gleaming, vintage Harley sitting in the empty warehouse? I should've known: nothing that good comes without strings attached. And, needless to say, Jack Carter is less than pleased that I stole his bike. He's the only man who could catch me. And when he did... It was time for my punishment. But the joke is on him, because Jack's punishment is heaven to me. In his tatted arms, I feel wild and free. I beg him for more and more and more - as much as he could possibly give me in one night. Gardens of the Moon Steven Erikson 2004-06-01 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, Gardens of the Moon is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Essential for Pern fans of all ages."—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-wher— a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. Inked Sins Claire St. Rose 2019-07-11 This is book 3 and the finale of the Fallen Angels MC series! He's a monster and a sinner - and I'm chained to his bed. I shouldn't be here. But it's too late to run. Staying here might mean risking everything - my life, my body, my sanity. But I can't go back to what I was before. I'm addicted to the biker's touch. CAROLINE I think part of me always knew he'd hurt me. Isn't that just what bad boys do? They convince you they're different than the rest. They get you to let your guard down. And then they shatter your heart into a million little pieces. Mason was no different in that regard. He convinced me he was a rebel with a heart of gold. And for one blissful moment, I believed him. Then the war came crashing down on my head. Before I know it, I'm dodging bullets and riding for my life. I'm not cut out for this motorcycle club business. I like numbers, my puppy, helping people - just

sweet, innocent things. I'm not the type of girl for him. But Mason has me pinned down and he won't let me go. He says it's for my own safety. He says I need his protection. And the second he lays his hands on me, I know one thing: I'll never be able to go back to my old life again. I belong to the biker now. MASON It might've been a mistake to bring her in. But there was danger lurking in the shadows... And before I could protect her from it, it dragged us both down to hell. She doesn't think can trust me. Fair enough. I probably wouldn't trust me either. I'm everything she's been taught to fear: A liar, a killer, a biker, a beast. I'm a cold-blooded S.O.B. who will screw you senseless and be gone before you wake up. I'm a drug-running outlaw kingpin... And I'm never, ever gonna apologize for it. But despite all my sins, there's one thing that will always be true: I always protect what's mine. I may have got Caroline caught in the middle of this vicious crossfire. But I'm not gonna rest until I get her out. That's an outlaw's oath.
