eyer allegory of the cave translation TYPESET - Harvard ...

The Allegory of the Cave Translated by Shawn Eyer Plato's famous allegory of the cave, written around 380  
bce, is one of the most important and influential passages of The Republic. It vividly illustrates the concept of  
Idealism as it was taught in the Platonic Academy, and provides a metaphor which philosophers have used

Trenching and Excavation Safety - Occupational Safety and ...

Cave-ins pose the greatest risk and are more likely than some other excavation-related incidents to result in  
worker fatalities. One cubic yard of soil can weigh as much as a car. An unprotected trench can be an early

grave. Employers must ensure that workers enter trenches only after adequate protections are in place to address cave-in hazards.
