[The Future King](#) James Riley 2020-03-03 Fort's continued adventures take more surprising twists and turns in this third novel in a thrilling series from the author of the New York Times bestselling [Story Thieves!](#) Dealing with monster attacks and his missing father has been hard enough for Fort Fitzgerald in his first month at the Oppenheimer School. But there's another school for magic, this one in the United Kingdom, that's about to create even bigger problems. Six of the Carmarthen Academy students found themselves lost in time when they first started learning magic. Now they've returned, with news of a coming war that the students claim only they can stop. But their new plan for the world might lead to an even worse future, one that Fort and his friends are destined to help bring about, no matter how much they might want to fight it. Can Fort change the future that the Time students have already seen play out? Or is he destined to pay for his past mistakes for all of time?

[Where's Wallace?](#) Hilary Knight 2000 An orangutan, loose from the zoo, visits all the busiest spots in town.

[Killing the Rising Sun](#) Bill O'Reilly 2016-09-13 The powerful and riveting new book in the multimillion-selling [Killing](#) series by Bill O'Reilly and Martin Dugard Autumn 1944. World War II is nearly over in Europe but is escalating in the Pacific, where American soldiers face an opponent who will go to any length to avoid defeat. The Japanese army follows the samurai code of Bushido, stipulating that surrender is a form of dishonor. [Killing the Rising Sun](#) takes readers to the bloody tropical-island battlefields of Peleliu and Iwo Jima and to the embattled Philippines, where General Douglas MacArthur has made a triumphant return and is plotting a full-scale invasion of Japan. Across the globe in Los Alamos, New Mexico, Dr. J. Robert Oppenheimer and his team of scientists are preparing to test the deadliest weapon known to mankind. In Washington, DC, FDR dies in office and Harry Truman ascends to the presidency, only to face the most important political decision in history: whether to use that weapon. And in Tokyo, Emperor Hirohito, who is considered a deity by his subjects, refuses to surrender, despite a massive and mounting death toll. Told in the same page-turning style of [Killing Lincoln](#), [Killing Kennedy](#), [Killing Jesus](#), [Killing Patton](#), and [Killing Reagan](#), this epic saga details the final moments of World War II like never before.

[The Whisper](#) Emma Clayton 2012-02-01 Listen -- can you hear it? The explosive sequel to [THE ROAR!](#) From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal

plan, even as they mind-read his every evil thought. Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

Forgotten City Michael Ford 2018-10-09 Survival is just the beginning in this action-packed middle grade adventure that's Mad Max for kids. Thirteen years ago, the world ended. A deadly chemical called Waste began to spread across the globe, leaving devastation in its wake. Millions died. Cities fell into chaos. Anything the Waste didn't kill, it mutated into threatening new forms. Kobi has always believed he and his dad were the only survivors. But when his dad goes missing, Kobi follows his trail—and discovers a conspiracy even deadlier than the Waste itself. Nonstop action, chilling dangers, and edge-of-your-seat twists make this gripping, fast-paced read perfect for young readers who love survival adventures like Gary Paulsen's Hatchet and dystopian series like Jeanne DuPrau's City of Ember.

The Lion's Share Matthew McElligott 2012-07-03 Ant is honored to receive an invitation to lion's annual dinner party, but is shocked when the other guests behave rudely and then accuse her of thinking only of herself.

Independence Hall Roland Smith 2013-05-20 Thirteen-year-old Quest (Q) isn't sure he's ready for a new family. For a long time it's just been him and his mom, Blaze. But everything changes when Blaze falls in love with Roger and they start a new rock band called Match. Now they're married, have a hit record, and Match is going out on a year-long driving tour across the country. Q, along with new stepsister Angela, will take a year off from school and travel with the band. For now, home will be a luxury motor coach and homework will be a Web site diary of their travels. Perfect-Q can practice his magic tricks and Angela can read her spy novels. What can go wrong? As Q and Angela settle into their new life and new relationship as siblings, they start to notice that certain coincidences don't seem coincidental. For example, how does a band roadie named Boone find them in the middle of a desert where their coach just happens to break down? Why does a man from their parents' wedding keep showing up in the same cities they stop at? When they reach Philadelphia, Q and Angela realize this tour is definitely not the trip their parents had planned and that the "City of Brotherly Love" is full of mysteries and secrets that could threaten their new life together. In addition to his action adventure books, Roland is the author of many award-winning books for children including Journey of the Red Wolf; The Captain's Dog; My Journey with the Lewis and Clark Tribe; and Thunder Cave, which was a 1996 Notable Children's Trade Book in the field of Social Studies. His books with Sleeping Bear Press include W is for Waves: An Ocean Alphabet; Z is for Zookeeper: A Zoo Alphabet; and N is for our Nation's Capital: A Washington, DC Alphabet. Roland lives near Portland, Oregon.

The Eleventh Plague John S. Marr 1999-12-09 Two children die of a disease thought to be nonexistence in the United States. Within hours, thoroughbreds at the legendary Churchill Downs are dying of a virus that cannot be identified, even by the most expert veterinarians. Called in to solve these lethal mysteries, noted virologist Jack Bryne discovers the two bear uncanny similarities to the Fifth and Sixth Plagues described in the Book of Exodus. And the horror is just beginning... Every month another monstrosity claims its victims. Every month brings the reenactment of another more catastrophic plague. Soon Bryne's own worldwide medical computer network, ProMED, is invaded by the power behind the horrors--a diabolically intelligent serial killer with a sophisticated knowledge of toxins and an obsession with a with biblical retribution. To make matters worse, the FBI is convinced Bryne himself is the killer. Caught between both sides, the brilliant virus hunter joins

forces with his bright lab assistant, an ambitious TV newswoman, and a young religious scholar to find this madman and stop him before it's too late. But even Bryne does not know how close the killer is...until he meets this modern medical Moriarty on a midnight confrontation that will determine the future of the world.

The Mortality Doctrine Series: The Complete Trilogy James Dashner 2017-08-29 From James Dashner, #1 New York Times bestselling author of the Maze Runner series, comes the complete collection of all three books in the bestselling Mortality Doctrine series— The Eye of Minds, The Rule of Thoughts, and The Game of Lives. This edge-of-your-seat cyber-adventure trilogy is the perfect gift for fans of Marie Lu and Brandon Sanderson. The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. Also look for James Dashner's Maze Runner series— The Maze Runner, The Scorch Trials, The Death Cure, The Kill Order, and The Fever Code. The first and second books, The Maze Runner and The Scorch Trials, are now major motion pictures featuring the star of MTV's Teen Wolf, Dylan O'Brien; Kaya Scodelario; Aml Ameen; Will Poulter; and Thomas Brodie-Sangster! Praise for the Mortality Doctrine Series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —io9.com "Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd." —Christian Science Monitor

The List Patricia Forde 2017-08-01 "The fantasy book of the year."-Eoin Colfer, bestselling author of Artemis Fowl A 2018 Notable Children's Books Selection! You are The Wordsmith now. Are you ready for the challenge? The city of Ark is the last safe place on Earth. To make sure humans are able to survive, everyone in Ark must speak List, a language of only 500 words. Everyone that is, except Letta. As apprentice to the Wordsmith, Letta can read all the words that have ever existed. Forbidden words like freedom, music, and even pineapple tell her about a world she's never known. One day her master disappears and the leaders of Ark tell Letta she is the new Wordsmith and must shorten List to fewer and fewer words. Then Letta meets a teenage boy who somehow knows all the words that have been banned. Letta's faced with a dangerous choice: sit idly by and watch language slowly slip away or follow a stranger on a path to freedom...or banishment.

Sabotaged Margaret Peterson Haddix 2010-08-24 After helping Chip and Alex survive 15th-century London, Jonah and Katherine are summoned to help another missing child, Andrea, face her fate. Andrea is really Virginia Dare, from the Lost Colony of Roanoke. Jonah and Katherine are confident in their ability to help Andrea fix history, but when their journey goes dangerously awry, they realize that they may be in over their heads: They've landed in the wrong time period. Andrea doesn't seem that interested in leaving the past. And even worse, it appears that someone has deliberately sabotaged their mission....

The Roar Emma Clayton 2014-08-01 Twelve-year old twins, Mika and Ellie, live in a future behind a wall \- safe from the plague animals beyond. Or so they've been told. But when one of them disappears, and the other takes part in a sinister virtual reality game, they begin to discover their concrete world is built on lies. As they go in search of the truth, and a strange sound in their heads grows to a roar, they find out that children and the planet have never mattered more.

World Without Fish Mark Kurlansky 2018-06-15 A KID'S GUIDE TO THE OCEAN "Can you imagine a world without fish? It's not as crazy as it sounds. But if we keep doing things the way we've been doing things, fish could become extinct within fifty years. So let's change the way we do things!" World Without Fish is the uniquely illustrated narrative nonfiction account—for kids—of what is happening to the world's oceans and what they can do about it. Written by Mark Kurlansky, author of Cod, Salt, The Big Oyster, and many other books, World Without Fish has been praised as "urgent" (Publishers Weekly) and "a wonderfully fast-paced and engaging primer on the key questions surrounding fish and the sea" (Paul Greenberg, author of Four Fish). It has also been included in the New York State Expeditionary Learning English Language Arts Curriculum. Written by a master storyteller, World Without

Fish connects all the dots—biology, economics, evolution, politics, climate, history, culture, food, and nutrition—in a way that kids can really understand. It describes how the fish we most commonly eat, including tuna, salmon, cod, swordfish—even anchovies— could disappear within fifty years, and the domino effect it would have: the oceans teeming with jellyfish and turning pinkish orange from algal blooms, the seabirds disappearing, then reptiles, then mammals. It describes the back-and-forth dynamic of fishermen, who are the original environmentalists, and scientists, who not that long ago considered fish an endless resource. It explains why fish farming is not the answer—and why sustainable fishing is, and how to help return the oceans to their natural ecological balance. Interwoven with the book is a twelve-page graphic novel. Each beautifully illustrated chapter opener links to the next to form a larger fictional story that perfectly complements the text.

The Roar Emma Clayton 2012-01-01 In a world where all signs of nature have been obliterated and a wall keeps out plague-ridden animals, Mika refuses to believe that his twin sister was killed after being abducted, and continues to search for her in spite of the danger.

Watchdog Will McIntosh 2017-10-10 Thirteen-year-old twins Vick and Tara have built an incredible machine—a loyal robotic watchdog named Daisy. But, when local crime boss Ms. Alba schemes to add Daisy to her robot army, Vick and Tara must go to great lengths to protect their prized pet. Because Daisy is more than just any robot—she's their constant protector, and together the three make a great team. Vick and Tara are determined to stop the mob from tearing their little family apart. And they might just succeed! Sure, the evil Ms. Alba has more robot watchdogs, but none are as smart—or as faithful—as their Daisy. Plus, if things get too dangerous, Tara could always upgrade their pet. With her mechanical skills, she could make Daisy bigger, stronger, and a lot more intimidating! A Junior Library Guild Selection A 2019-2020 Texas Bluebonnet Award Master List Selection "Engaging, suspenseful, and with nearly all the vivid fighting confined to robots, this gritty tale is perfect for a younger audience than most post-apocalyptic stories." —Kirkus Reviews "This compelling drama with cool tech themes and bad guys getting their comeuppance is a winner." —SLJ

The Roar Emma Clayton 2014-09-04 Twins Mika and Ellie live in a future behind a wall, safe from the plague animals that live beyond. Or so they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

The Silenced James DeVita 2007-06-26 In a world filled with sanctions and restrictions, Marena struggles to remember the past: a time before the Zero Tolerance Party murdered her mother and put her father under house arrest. A time before they installed listening devices in every home and forbade citizens to read or write. A time when she was free. In the spirit of her revolutionary mother, Marena forms her own resistance group—the White Rose. This is a chilling dystopian novel that leads readers to question the very essence of their identities. Who do you think you are?

One Came Home Amy Timberlake 2013-01-08 A Newbery Honor Book An ALA-ALSC Notable Children's Book Winner of the Edgar Allan Poe Award for Best Juvenile Novel "An adventure, a mystery, and a love song to the natural world. . . . Run out and read it. Right now."—Newbery Medalist Karen Cushman In the town of Placid, Wisconsin, in 1871, Georgie Burkhardt is known for two things: her uncanny aim with a rifle and her habit of speaking her mind plainly. But when Georgie blurts out something she shouldn't, her older sister Agatha flees, running off with a pack of "pigeoners" trailing the passenger pigeon migration. And when the sheriff returns to town with an unidentifiable body—wearing Agatha's blue-green ball gown—everyone assumes the worst. Except Georgie. Refusing to believe the facts that are laid down (and coffined) before her, Georgie sets out on a journey to find her sister. She will track every last clue and shred of evidence to bring Agatha home. Yet even with

resolute determination and her trusty Springfield single-shot, Georgie is not prepared for what she faces on the western frontier.

**The Sky Inside** Clare B. Dunkle 2010-12-21 Martin lives in a perfect world. Every year a new generation of genetically-engineered children is shipped out to meet their parents. Every spring the residents of his town take down the snow they've stuck to their windows and put up flowers. Every morning his family gathers around their television and votes, like everyone else, for whatever matter of national importance the president has on the table. Today, it is the color of his drapes. It's business as usual under the protective dome of suburb HM1. And it's all about to come crashing down. Because a stranger has come to take away all the little children, including Martin's sister, Cassie, and no one wants to talk about where she has gone. The way Martin sees it, he has a choice. He can remain in the dubious safety of HM1, with danger that no one wants to talk about lurking just beneath the surface, or he can actually break out of the suburb, into the mysterious land outside, rumored to be nothing but blowing sand for miles upon miles. Acclaimed author Clare B. Dunkle has crafted a fresh and fast-paced science-fiction thriller, one that challenges her characters -- and her readers -- to look closer at the world they take for granted.
