India in the Fifteenth Century Richard Henry Major 1857

Reading Eco Umberto Eco 1997 Examines some of Eco's writings together with secondary sources in order to arrive at a more comprehensive critique of his literary theories and his notions of general semiotics as a cognitive social/cultural practice. Articles on literary semiotics, which comprise the second section, focus primarily on Eco, Peirce, Bakhtin, Greimas, Borges, and Derrida. Part three examines aspects of Eco's fiction. Ars Islamica Richard Ettinghausen 2011-12 Contributing Authors Include L. A. Mayer, Ernst Herzfeld, R. B. Serjeant, And Many Others.

The Distance Between Lost and Found Kathryn Holmes 2015-02-17 Blending elements of Laurie Halse Anderson's *Speak* and Gary Paulsen's *Hatchet*, this gripping story from Kathryn Holmes was deemed "a page turner" by author Richard Peck and "an intense story of survival" by ALA Booklist in its starred review. Sophomore Hallie Calhoun has just endured the most excruciating six months of her life. Once the rumors about her and the preacher's son, Luke, made their way around school, her friends abandoned her, and as a result, Hallie has completely withdrawn. Now on a hiking trip in the Smoky Mountains with the same people who have relentlessly taunted her, Hallie is pushed to her limit. Then Hallie, outgoing newcomer Rachel, and Jonah—Hallie's former friend—get separated from the rest of the group. As days go by without rescue, their struggle for survival turns deadly. Stranded in the wilderness, the three have no choice but to trust one another in order to stay alive...and for Hallie, that means opening up about what really happened that night with Luke. From the catty atmosphere of high school to the unpredictable terrain of the mountains, this novel is a poignant, raw journey about finding yourself after having been lost for so long.

Blood and Guts: A Short History of Medicine Roy Porter 2004-06-17 A brief but engaging history of medicine covers the field in lively fashion, from ancient Indian healing practices that combined diet and meditation to modern pharmaceuticals such as Viagra. Reprint. 10,000 first printing.

Butterfly Effect Andy Andrews 2011-06-01 Speaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a hundred years ago, and the ripple effect it's had on us individually, and nationwide, today. It's a story that will inspire courage and wisdom in the decisions we make, as well as affect the way we treat others through our lifetime. Andrews speaks over 100 times a year, and *The Butterfly Effect* is his #1 most requested story.

Isma'ili Modern Jonah Steinberg 2011 The Isma'ili Muslims, a major sect of Shi'i Islam, form a community that is intriguing in its deterritorialized social organization. Informed by the richness of Isma'ili history, theories of transnationalism and globalization, and firsthand ethnographic f

A Manual of Hebrew Poetics Luis Alonso Schökel 1988 "This manual closes a circle which began almost thirty-five years ago (November, 1954) with the beginning of work on a doctoral dissertation defended at the Pontifical Biblical Institute in April, 1957 (published in Spanish in 1962). During three decades of teaching and writing the author has kept an active interest in poetics and stylistics and the resulting accumulated knowledge has been concentrated in the present manual. The primary purpose of the book is not to serve as a source of information about facts and authors but rather to initiate the reader into the stylistic analysis of poetry. To obtain information and to classify it the reader can turn to recent works (Watson), earlier works (Knig, Hempel), or reprinted works (Bullinger). Among the poetic techniques discussed are sound and sonority, rhythm, imagery, figures of speech, dialogue and monologue, development and composition"--Page 4 of cover.

Geometry of the Passions Remo Bodei 2018-08-08 The passions have long been condemned as a creator of disturbance and purveyor of the temporary loss of reason, but as Remo Bodei argues in *Geometry of the Passions*, we must abandon the perception that order and disorder are in a constant state of collision. By means of a theoretical and historical analysis, Bodei interprets the relationship between passion and reason as a conflict between two complementary logics. *Geometry of the Passions* investigates the paradoxical conflict-collaboration between passions and reason, and between individual and political projects. Tracing the roles passion and reason have played throughout history, including in the political agendas of Descartes, Hobbes, and the French Jacobins, *Geometry of the Passions* reveals how passion and reason may be used as a vehicle for affirmation rather than self-enslavement.

Reading Dante in Renaissance Italy Simon Gilson 2018-02-15 Simon Gilson's new volume provides the first in-depth account of the critical and editorial reception in Renaissance Italy, particularly Florence, Venice and Padua, of the work of Dante Alighieri (1265–1321). Gilson investigates a range of textual frameworks and related contexts that influenced the way in which Dante's work was produced and circulated, from editing and translation to commentaries, criticism and public lectures. In so doing he modifies the received notion that Dante and his work were eclipsed during the Renaissance. Central themes of investigation include the contestation of Dante's authority as a 'classic' writer and the various forms of attack and defence employed by his detractors and partisans. The book pays close attention not only to the *Divine Comedy* but also to the *Convivio* and other of Dante's writings, and explores the ways in which the reception of these works was affected by contemporary developments in philology, literary theory, philosophy, theology, science and printing.

***Rhetoric as Philosophy* Ernesto Grassi 2000-12-31** By going back to the Italian humanist tradition and aspects of earlier Greek and Latin thought, Ernesto Grassi develops a conception of rhetoric as the basis of philosophy. Grassi explores the sense in which the first principles of rational thought come from

the metaphorical power of the word. He finds the basis for his conception in the last great thinker of the Italian humanist tradition, Giambattista Vico (1668-1744). He concentrates on Vico's understanding of imagination and the sense of human ingenuity contained in metaphor. For Grassi, rhetorical activity is the essence and inner life of thought when connected to the metaphorical power of the word. Originally published in English in 1980, *Rhetoric as Philosophy* has been out of print for some time. In his foreword to this reprint edition, Burke scholar Timothy W. Crusius rues the lack of concentrated attention to Grassi because "what he had to say about rhetoric is at least as significant as, for example, what Kenneth Burke taught us".

NoSQL with MongoDB in 24 Hours, Sams Teach Yourself Brad Dayley 2014-08-21 NoSQL database usage is growing at a stunning 50% per year, as organizations discover NoSQL's potential to address even the most challenging Big Data and real-time database problems. Every NoSQL database is different, but one is the most popular by far: MongoDB. Now, in just 24 lessons of one hour or less, you can learn how to leverage MongoDB's immense power. Each short, easy lesson builds on all that's come before, teaching NoSQL concepts and MongoDB techniques from the ground up. Sams Teach Yourself NoSQL with MongoDB in 24 Hours covers all this, and much more: Learning how NoSQL is different, when to use it, and when to use traditional RDBMSes instead Designing and implementing MongoDB databases of diverse types and sizes Storing and interacting with data via Java, PHP, Python, and Node.js/Mongoose Choosing the right NoSQL distribution model for your application Installing and configuring MongoDB Designing MongoDB data models, including collections, indexes, and GridFS Balancing consistency, performance, and durability Leveraging the immense power of Map-Reduce Administering, monitoring, securing, backing up, and repairing MongoDB databases Mastering advanced techniques such as sharding and replication Optimizing performance

Novantiqua Paolo Valesio 1980 "This is an important book: original, erudite, useful and ambitious." —Quarterly Journal of Speech "A remarkable book... sure to be of lasting interest... to be reckoned with by all rhetorical theorists." —Choice This is the first contemporary attempt at a holistic theory of rhetoric, well grounded in the context of cultural and social history. Arguing that rhetoric has always been an independent, objective, essential factor in human interaction, Valesio views it as coextensive with human speech in use.

Essays in Zen Buddhism D.T. Suzuki 2007-12-01 Included in this volume are Suzuki's famous study "Enlightenment and Ignorance," a chapter on "Practical Methods of Zen Instruction," the essays "On Satori — The Revelation of a New Truth in Zen Buddhism" and "History of Zen Buddhism from Bodhidharma to Hui-Ning (Yeno)," and his commentary on "The Ten Cow-herding Pictures" which have long been used in Zen to illustrate the stages of spiritual progress.

The Witch of Edmonton Thomas Dekker 2021-11-22 At the center of this remarkable 1621 play is the story of Elizabeth Sawyer, the titular "Witch of Edmonton," a woman who had in fact been executed for the crime of witchcraft mere months before the play's first performance. Described by the authors as a tragi-comedy and drawn in part from a pamphlet account of the trial then circulating, the play not only offers a riveting account of the contemporary superstitions embodied by the figure of the witch, but also delivers an implicit critique of the society that has created her. This edition of the work offers a compelling and informative introduction, thorough annotation, and a selection of contextual materials that helps set the play in the context of the "witch-craze" of Jacobean England.

Semiotics and the Philosophy of Language Umberto Eco 1986 "Eco wittily and enchantingly develops themes often touched on in his previous works, but he delves deeper into their complex nature... this collection can be read with pleasure by those unversed in semiotic theory." —Times Literary Supplement

Palazzo Del Principe Laura Stagno 2005

Operations Management Nigel Slack 2019-04-22 Operations management is important, exciting, challenging ... and everywhere you look! Important, because it enables organisations to provide services and products that we all need Exciting, because it is central to constant changes in customer preference, networks of supply and demand, and developments in technology Challenging, because solutions must be must be financially sound, resource-efficient, as well as environmentally and socially responsible And everywhere, because in our daily lives, whether at work or at home, we all experience and manage processes and operations. A Different Sea Claudio Magris 2011-05-31 Early this century Enrico, a young intellectual, leaves the city of Gorizia with its abundant population and culture, to spend several years living on the Patagonian pampas, alone with his ancient Greek texts, his flocks and, every now and then, a woman. He has been taught by his closest friend, Carlo, a philosopher/poet who commits suicide in his early twenties, to search for an authentic life, free of social falsehoods. But in his search for this unattainable goal, Enrico destroys every chance he has of a normal existence. This is portrait of a world in ferment, a decaying empire shaken by war and revolution, and a life-long search for meaning.

Oriana Fallaci John Gatt-Rutter 1996-10 An introduction to the writing of one of Italy's most controversial personalities and widely-read writers, whose ideas have antagonized both feminists and anti-feminists. Analyzes texts written between 1958 and 1995, focusing on her strategies of direct engagement with key issues such as women's liberation, Vietnam, Islamic fundamentalism, and the space program.

See and hear how the same sentences sound in English, Italian, Spanish, Portuguese, French, German, Dutch, Russian, Arabic (MSA), Chinese (Mandarin), Korean and Japanese. Learn different languages by listening and repeating after our speakers. This book teaches you how people speak around the world. With downloadable audio. A perfect introduction to the world of languages for children with or without their parents.

The Nun Simonetta Agnello Hornby 2012-01-31 August 15, 1839. Messina, Italy. In the home of Marshall don Peppino Padellani di Opiri, preparations for the feast of the Ascension are underway, but for Agata, the Marshall's daughter, there are more important matters at hand. She and the wealthy Giacomo Lepre have fallen in love. Her mother, however, is determined that the two young people will not marry. When, one month later, Marshall don Peppino dies, Agata's mother decides to ferry her daughter away from Messina, to Naples, where she hopes to garner a stipend from the king and keep her daughter far from trouble's reach. They travel to Naples on a boat captained by the young Englishman, James Garson. Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. Through letters she stays in contact with Garson, reading all the books he sends her, and follows the news of the various factions struggling to bring unity to Italy. Though she didn't choose to enter a convent and is divided between her yearnings for purity and religiosity and her desire to be part of the world, something about the cloistered life reverberates within her. Agata is increasingly torn when she realizes that her feelings for Garson, though he is only a distant presence in her life, have eclipsed those for Lepre. A Mediterranean sister to the heroines of Jane Austen and Emily Brontë, Agata fully inhabits her own time yet in Agnello Hornby's rich characterization, she also embodies strength of will and a spiritual fortitude that is timeless.

Kaplan SSAT & ISEE 2016: For Private and Independent School Admissions Kaplan Test Prep 2015-09-25 Every year, nearly 100,000 students take the Secondary School Admission Test (SSAT) or the Independent School Entrance Examination (ISEE) in order to gain admission to a top private school. Kaplan SSAT & ISEE 2016 provides the perfect mix of strategy and review for students looking to ace these important exams. This comprehensive study guide provides students with all of the resources they need for test day preparation, and gives parents advice on how to help their children navigate what can be a daunting experience for first-time test takers. Kaplan's SSAT & ISEE 2016 also includes: * Six full-length practice tests—three SSATs and three ISEEs—tailored to upper, middle, and lower grade levels * Detailed answer explanations * Hundreds of practice questions covering the most frequently tested material * Intensive, test-specific math and verbal workouts * Customized review sections for important subject areas, including verbal reasoning, mathematics, reading comprehension, and writing * Practical tips for every question type * Proven test-taking strategies to help students score higher
