Board Member Orientation Michael E. Batts 2011-02-01 Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hokey Alerts! Watch for Hokey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1.Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2.You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3.You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

One Distant Summer Serena Clarke 2017-01-15 One summer can change everything. Jacinda Prescott spent one life-changing summer in Sweet Breeze Bay, New Zealand, and left disaster in her wake. Since then, she's thrown herself into her music career, and her life in LA. But when the price of fame threatens to become more than she's willing to pay, the distant bay calls her back. Liam Ward walked away from everything he knew after the death of his talented brother, the guy Jacinda loved and lost. When he finally returns to the bay, looking for closure, she's the last person he expects to find-and the last woman he should fall for. Stuck as neighbors for the summer, their off-limits attraction is hotter than the South Pacific sun. But the secret that ties them together is the one thing that could destroy her career, and break their hearts all over again...if they let it.

Yoga Dogs Dan Borris 2011-03-01 Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

The Anti-12 Steps Michael Visger 2014-08-21 Since their creation, the 12-Steps of A.A. have given millions a path to recovery from addiction. The impact of the 12-steps on our culture and people worldwide has been huge. Dozens of versions and conditions have been created based on the original 12-Steps. Yet the 12-Steps are also flawed in the eyes of many, and they are incomplete, leaving them open to resistance and discredit. But now, the 12-Steps are given the complete update they've needed to be effective in our more complex culture. By filling in the missing parts, the 12-Steps are both destroyed and made even stronger at the same time. Questions are answered and the entire cycle of addiction can finally be understood. The Anti-12 Steps illustrate what the 12-Steps really are and what they really do.

Yoga Therapy Theory Kazuo Kimura 2016-10-21 Yoga therapy holds the key to effectively addressing stress and lifestyle diseases. Conventional medicine is useful for alleviating symptoms, but yoga therapy that is grounded in traditional theory identifies and addresses causes deeper than the physical body. Yoga therapy practices build resistance to stress and increase resilience. Kazuo Keishin Kimura is a Raja Yoga Acharya who has devoted himself to making traditional yogic wisdom accessible in Japan. With this English translation of his book, he hopes to contribute internationally to yoga therapy's development as a respected modality. In this book, Kimura points out how traditional yoga theory is missing from modern-day yoga instruction. He then explains traditional yoga's view of the mind-body complex as five koshas (sheaths), each with specific functions and attributes. Just as medical doctors examine patients before deciding on treatment, yoga therapists must obtain informed consent and assess the conditions of all koshas. Understanding yoga's horse-drawn chariot metaphor for human structure and function is also helpful to see beyond symptoms and to identify root causes of disease. Kimura skillfully guides readers to understand these two theories of human structure and function, and illustrates how they can be incorporated into both yoga therapy assessment and practice.

The Great Adventures of Hotdog Man David Lee Baer 2017-05-21 Several years had passed since Hotdog Man had perished by the hands of General Gouda, the world went back to an era of peace and tranquility. During this time, Hotdog Man was in another dimension, a world of the spirits, where he was in a war with the demonic Dr. Mustard and his army of ghost soldiers. Meanwhile, in the land of the living, Hotdog Jr, had grown up into a mild manner teenager. The Eyno Gems had been destroyed, leaving our heroes unable to access their incredible powers. Spice Town didn't have evil terrorizing them anymore, the residents had nothing to fear, but soon that would change. As the wicked Master Mizuna had grown up despising what had happened to his Uncle, Dr. Mustard, now with his army of minions, he was ready for revenge.

Legit Dogs Team Joon 2018-04-04 Legit Dogs is a basketball graphic novel created by Team Joon. In 2027, basketball in the city of Neo New York has changed. With the advent of Air Boosters, kicks capable of adding inches to anybody's jump, street ball is more popular than ever, with players of all types and skills flocking to the courts to try and make something of themselves. As a result, the game has become a shadow of its former glory, with victory usually going to the team with the best kicks and gear rather than the best skills. In response to the game's fall from grace, a mysterious street ball team has started scouting players with true natural talents to put end to the games polluted by the pretenders.

He Walks with Dragons Stanley S. Thornton 2013-04-30 "He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naive innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Violet Peck and the Stupid Stupid Dog A. David Chandler 2016-12-14 'Stubbs, his hair is wiry Stubbs, his breath is fiery Stubbs can't read my diary He's smelly and he's dim Stubbs licks all our dishes Stubbs destroys my wishes And we can't go to Mauritius just because of him' So wrote Violet Peck in her diary at the beginning of the summer holiday. But thanks to Stubbs, the Peck's spoiled rotten dog, Violet does go away for the summer... to a much stranger and scarier place than she could ever dream of. And she gets much closer to the family pet than any little girl could wish. With the headstrong Stubbs on one side and Harry and Hannah, her conniving cousins on the other, Violet is plunged into a world of shop-lifting, weird science, deadly secrets and belly button rings. And she ventures to a terrifying place that no one has ever been before... so close to home, yet so very far away.

Thor, the Friendly Bullmastiff Emily Amoia 2017-03-17 Our story is based on Emily's actual pet, Thor. Thor is truly an inspiring dog who captures the hearts of all who meet him. Emily and Thor literally can't go anywhere without people, both young and old, wanting to stop and meet Thor. He is always surprising people with his gentleness and calm demeanor.

Handbook for Shaktipat Siddhayoga Initiates Jan Esmann 2016-12-29 Shaktipat is the extremely rare art where an enlightened Siddha ignites the student's kundalini in such a way that the student's kundalini will take him or her to enlightenment. This is a handbook for students who have received this rare and sacred initiation. It is also an easy but to the point introduction to those who are curious about this path but have not embarked on it. The book discusses the various aspects of shaktipat initiation, of the supreme Self, of spiritual practices and of what is required of the student and the guru. The meditative practices of Shaktipat Siddhayoga (sadhana) are also discussed - as well as basic kundalini yoga addenda. The main practice of Shaktipat Siddhayoga is to surrender to the Grace of the Divine Mother. Other meditation practices are discussed in context of this. The important subtle energy channels are introduced as well as the chakras and the three basic knots blocking our spiritual progress. Karma and Free Will is discussed. Finally is a comprehensive list of psychological defense mechanism as discovered by modern psychoanalysis. Any yogi should know these and scrutinize himself. A dictionary of yogic terms is also included. Also included is a weblink to when and where you can receive initiation.
